## Introduction to the Constitution

...the Constitution of the United States...

The Constitution is the supreme law of the United States. It is the foundation of the government and defines the powers of the federal government and the rights of the states and individuals.

...the Constitution...

## Major Branches of the Government

The executive branch is headed by the President and is responsible for carrying out the laws. The legislative branch is made up of the House of Representatives and the Senate, and is responsible for making laws. The judicial branch is headed by the Supreme Court and is responsible for interpreting the laws.

## State Government

State governments are responsible for many of the services that we use every day, such as education, health care, and transportation. They also have the power to create and enforce laws within their state.
