The Reformation

The Reformation was a religious movement that began in the early 16th century and led to the formation of new Protestant churches. It challenged the authority of the Roman Catholic Church and its Pope. Key figures like Martin Luther and John Calvin played major roles. The movement spread across Europe, leading to significant religious, political, and social changes.

- Martin Luther's 95 Theses (1517)
- The Protestant Reformation (1517-1648)
- The Catholic Reformation (1564-1622)
- The English Reformation (1534-1542)
- The Swiss Reformation (1525-1550)
- The Dutch Reformation (1560-1600)

The Reformation led to the formation of new Protestant churches, including Lutheranism, Calvinism, and Anabaptism. It also led to the English Reformation, which resulted in the establishment of the Church of England. The Reformation had a profound impact on European society, leading to the development of modern democratic principles and the separation of church and state.
