Devil In Me:

The Devil's in the Details Alyx Freund,2023-01-06 You know how learning a language can feel like it s ruining your life Well learning Latin did it for me What seemed like a simple assignment caused me to summon a demon hell bent on buying my soul The only problem is I m not selling Now he wants to stick around What could go wrong *The Devil's in the Dancers* Catherine Yu,2025-08-26 Accepted to the prestigious summer ballet intensive at Allegra Academy on scholarship sixteen year old Mars Chang is thrust into the world of wealthy and she s determined to stay Mars s annoyingly attractive roommate Alex Bechler has everything she s effortlessly cool and easily one of the best dancers in the school Her big pharma family founded the academy and they re on the verge of launching a new supplement APL to make them even richer So when the head of the academy tasks Mars to secretly switch Alex s supplements with APL in exchange for a chance at year round enrollment Mars agrees Since Mars already knows nothing at the academy is fair she decides to help a fellow scholarship student by giving her some APL supplements At first pills give the girl an instant edge in class but when they also produce terrifying side effects Mars suspects that APL might not be safe and that the Bechlers might not have Alex s best interests at heart But how can Mars convince Alex that her leading role in the recital might literally kill her Words Don't Come Easy...A Book of Poetry Liane Hoare,2012-03-05 In this book of poetry we get an insight into the world of Liane Hoare Though the poems in this book are not related to any events nor people that have taken or been a part in her life from the words we can tell a lot about the individual who has spent the best part of ten years penning them down With the exception of The Day You Went Away not one of the poems has any emotional meaning to her and it is only this one that bares any relevance to a time in her life It is dedicated to June Checkley a wonderful and loving person who sadly passed away July 2005 Why don t you have a read of them and see if you can work out what sort of person the author is Liane is very passionate about her writing and gets a lot of enjoyment from it *Disability, Counselling and Psychotherapy* Shula Wilson,2017-03-14 What is Disability and Why am I disabled asked Joe the seven year old boy born with cerebral palsy Although disability is of concern to us all very little attention has been paid to the felt experience of the disabled person and the ways in which psychotherapy might be constructively utilised Disability Counselling and Psychotherapy directly addresses this gap and taking a life span perspective and a psychoanalytic approach actively explores the challenges and opportunities of disability to therapy the caring professions and society more widely Shula Wilson introduces a model aimed at achieving autonomy that is based on the significance of the primary mother baby relationship and the awareness of human mortality In doing so she offers a new way of relating to disabled people and working through unanswerable questions such as those raised by Joe above She also challenges attitudes and reactions to controversial issues such as sex death and the mystery behind altering body image and brings to the surface the desires hopes and frustrations of disabled people living in an environment ridden with fears and prejudices With its lively case discussion and clear theoretical base Disability
