Bernard Shaw, Playwright

Bernard F. Dukore, 2025-10-03

Bernard Shaw's plays have delighted and stimulated audiences since their first appearances. Their author's satiric view of conventions, institutions, and behavior continues unfailingly to amuse while it provokes doubts about the honesty of the social and political attitudes that underlie them. Originally published in 1973, Dukore discusses the theory of drama that is the basis of Shaw's comedies, which present his views of mores and follies. That Shaw's theory was coherent and comprehensive, Dukore shows in Part One of this book with supportive references to Shaw's critical works, letters, speeches, and plays. In Part Two, using such familiar works as *Candida*, *Pygmalion*, and *Back to Methuselah*, as well as less-known plays like *In Good King Charles's Golden Days* to reinforce his points, Dukore analyzes the discussion play according to Shaw, the watershed of the new drama, *Androcles and the Lion*, and *Saint Joan*, along with other plays illustrating Shaw's use of the prologue or prologue-like first act to create the play's social and psychological foundations. *Man and Superman* and *The Apple Cart* are among those which exemplify the play whose frame is both detachable from its centerpiece and also functionally integrated with it. Dukore also considers at length Shaw's reworking of other men's plays: Shakespeare's *Cymbeline* and Trebitsch's *Frau Gittas S'hne*, as well as his own *Major Barbara*. These revisions bring into sharp focus Shaw's perception of human nature and his principles of dramaturgy. Among others of Shaw's plays, Dukore presents *Too True to Be Good* and *Heartbreak House* as examples of his protoexistentialism, his apprehension of the absurd and the existential as forces in life. Throughout Shaw's plays, major and minor, Dukore sees the influence of the playwright's socialism and supports this observation with precise examples from the works. In sum, Dukore proposes fresh perspectives from which to regard Shaw's works for the theatre, works that were arrestingly relevant and immediate to the time.

Bernard Shaw, Automata, Robots, and Artificial Intelligence Kay Li, 2024-01-03

This project is the first to explore how Bernard Shaw intersects constructively with automata, robots, and artificial intelligence (AI). Shaw was born in the golden age of the automaton. His *Bible on the Life Force and Creative Evolution*, *Back to Methuselah*, was written when Karel and Josef Capek coined the word robot. Shaw's life ran in parallel with the rise of AI, and the big names in AI were his contemporaries. Moreover, empirical analyses of Shawian texts and images using AI uncovers possibilities for new interpretations, demonstrating how future renditions of his works may make use of these advanced technologies to broaden Shaw's audience, readership, and scholarship.

The Devil's Disciple Bernard Shaw,2013-05-15 At the most wretched hour between a black night and a wintry morning in the year 1777 Mrs Dudgeon of New Hampshire is sitting up in the kitchen and general dwelling room of her farm house on the outskirts of the town of Websterbridge She is not a prepossessing woman No woman looks her best after sitting up all night and Mrs Dudgeon s face even at its best is grimly trenched by the channels into which the barren forms and observances of a dead Puritanism can pen a bitter temper and a fierce pride She is an elderly matron who has worked hard and got nothing by it except dominion and detestation in her sordid home and an unquestioned reputation for piety and respectability among her neighbors to whom drink and debauchery are still so much more tempting than religion and rectitude that they conceive goodness simply as self denial This conception is easily extended to others denial and finally generalized as covering anything disagreeable So Mrs Dudgeon being exceedingly disagreeable is held to be exceedingly good Short of flat felony she enjoys complete license except for amiable weaknesses of any sort and is consequently without knowing it the most licentious woman in the parish on the strength of never having broken the seventh commandment or missed a Sunday at the Presbyterian church
