community interactions I credit those honors to God's leading and blessing on my life. My father was my pastor and counselor. He taught me to listen intently, consider God's principles in every situation, and then draw from the Word of God and apply it to my life. He taught me to consider every detail and step in my life from the perspective of God and His Word. I have practiced those principles in my classroom and began ten years ago to write my own devotions to lead in my small Bible study groups. I'm approaching retirement and accepted a challenge by Dr. David Jeremiah to take a risk and do something meaningful for the Lord. This book came about because I accepted the challenge. *The Church School Journal*, 1874
