*Dewey and Russell--an Exchange* Samuel Meyer,1985     *The Evolution of John Dewey's Conception of Philosophy and His Notion of Truth* Melvin Tuggle,1997 The main thesis of this book is that John Dewey's conception of philosophy began and culminated with his concern about the problem of truth Moreover it is asserted that Dewey's mature conception of philosophy and his notion of truth may be quite profitable for resolving some of our more recent contemporary philosophical problems To clarify his mature thoughts about philosophy and truth this study surveys the stages of Dewey's development during his long lifetime of ninety three years     Russell ,2011     *Bertrand Russell's Dialogue with His Contemporaries (Routledge Revivals)* Elizabeth Ramsden Eames,2013-10-08 First published in 1989 this book considers Bertrand Russell's philosophy through his correspondence with others Indeed his exchanges with his elders in philosophy with his contemporaries and with one of his most outstanding pupils are brought to life in this judicious exposition meticulously documented before being judged with insight and sympathy as well as impartiality Elizabeth Ramsden Eames here explores the issues that emerged from Russell's exchanges with certain other philosophers and interprets the resulting reciprocal influences and reactions The conversations presented cover subjects such as the nature of relations pluralism versus monism the relation of the subject and object in knowledge the analysis of experience the definition of truth the analysis of belief and the theory of meaning These have been in the forefront of philosophical discussion in our time and Russell's dialogue with his contemporaries promises to illumine them     *The Modern Schoolman* ,1989     **Dao** ,2007     **The Centrality of Normative Ethical Theory** Bernard Rosen,1999 Bernard Rosen argues Mill's critics and supporters address one level or another often without noting which one it is The positions of important ethical theorists who have been influenced by or who criticize Mill are presented BOOK JACKET     *The American Exchange and Review* ,1900     Propositions and Judgments in Dewey's Logic Frank Thomas Burke,1992     Thinkers of the Twentieth Century Roland Turner,1987 Major thinkers in various intellectual disciplines are featured in Thinkers of the Twentieth Century Your patrons will find this guide a perfect start to their studies on 450 intellectuals from philosophy theology literary criticism aesthetics history social sciences politics and the sciences Entries are divided into two parts Part One includes a biography complete bibliography and reading list of the major books and articles written about the entrant Part Two consists of an extended 1 000 to 3 000 word essay on the entrant These essays explain in clear comprehensible language the work of the entrant and his/her influence on the intellectual of the 20th century     *International Studies in Philosophy* ,1974     The Condition of American Liberal Education Bruce A. philosophical schools in Europe analytic philosophy and phenomenology The history of 20th century philosophy is often written as an account of the development of one or both of these schools as well as their overt or covert mutual hostility What is often left out of this history however is the relationship between the two European schools and a third significant philosophical event the birth and development of pragmatism the indigenous philosophical movement of the United States Through a careful analysis of seminal figures and central texts this book explores the mutual intellectual influences convergences and differences between these three revolutionary philosophical traditions The essays in this volume aim to show the central role that pragmatism played in the development of philosophical thought at the turn of the twentieth century widen our understanding of a seminal point in the history of philosophy and shed light on the ways in which these three schools of thought continue to shape the theoretical agenda of contemporary philosophy *Harvard Alumni Directory*,1919 Commentary,1976 **Paideusis**,1995
