con artist named Chester Burke Alvin is no match for Chester who's not merely a con man but a gangster from Chicago following the bootleg liquor trade through the small towns of America's middle border. With Alvin in tow, Chester's insouciant disregard for life serves him well as he embarks upon a series of bank robberies and senseless murders. All summer long, Chester assumes the role of a dark angel on Judgment Day, cleansing the scrolls of those whose sad fortune had drawn them across his path. Too ill to flee, too morally weak to object, Alvin resigns himself to what seems like certain doom somewhere down the road. Fortunately, Alvin finds another companion on his journey: a lonely, eccentric, and grandiloquent dwarf named Rascal, whose own infirmity binds his and the farm boy's destiny together. Drawn deeper and deeper into Chester's murderous frolic, they come across a curious assortment of characters: from small-town businessmen and religious kooks to wayward girls and dance contestants, spiritualists and sideshow freaks. Caught between Chester's villainy and Alvin's own physical deterioration, the young farm boy must make a decision: stick with Chester, who would surely kill him at the slightest hint of betrayal, or muster the courage to stake his life on faith in Rascal's clever plan to save them both. Tired of being afraid, Alvin finally grasps the need not only to outwit the gangster but to find another road to travel. What he discovers about the meaning of home offers a solution to escape and freedom. *This Side of Jordan* is a thoroughly American novel told in the voice of a lost generation hurtling toward the Great Depression and evokes a long-ago America of crowded Main Streets and tourist camps, miles of cornfields, rural churches, and musty parlors. It ends on the fairgrounds of a traveling wagon circus that beckons gangster, farm boy, and dwarf toward a startling resolution and a hard-fought absolution for the two young, frightened collaborators. The narrative of this novel has the momentum of a freight train but is told in the seductive, rhythmic tradition of Southern lyricism, reminiscent of Flannery O'Connor and Truman Capote, and filled with vivid, outsized literary characters. If Jim Thompson and Carson McCullers went on a collaborative bender by kidnapping Holden Caulfield, Perry Smith, and Ignatius J. Reilly, they'd have come up with something like *This Side of Jordan*.
