Dial 911 Peaceful Christians And Urban Violence:

Dial 911 Dave Jackson,1981-01-01 **Contemporary Christian Authors** Janice DeLong,Rachel E. Schwedt,2000

Finally a summary section provides a brief synopsis of at least one title representative of the author s style and several of the writers have provided personal annotations of their works **BOOK JACKET** *A Faith Not Worth Fighting For* Tripp York,Justin Bronson Barringer,2012-05-17 In *A Faith Not Worth Fighting For* editors Justin Bronson Barringer and Tripp York have assembled a number of essays by pastors activists and scholars in order to address the common questions and objections leveled against the Christian practice of nonviolence Assuming that the command to love one s enemies is at the heart of the Gospel these writers carefully faithfully and no doubt provocatively attempt to explain why the nonviolent path of Jesus is an integral aspect of Christian discipleship By addressing misconceptions about Christian pacifism as well as real life violent situations this book will surely challenge the reader s basic understanding of what it means to be a follower of Jesus Contributors include Andy Alexis Baker Justin Bronson Barringer Gregory A Boyd Robert Brimlow Lee C Camp Shane Claiborne John Dear Amy Laura Hall Stanley Hauerwas J Nelson Kraybill Ingrid E Lilly D Stephen Long Gerald W Schlabach Kara Slade C Rosalee Velloso Ewell Samuel Wells Tripp York **The Wisdom of the Cross** Stanley Hauerwas,Chris K. Huebner,Harry J. Huebner,Mark Thiessen Nation,2005-05-26 Few recent Christian thinkers have been as widely influential as John Howard Yoder 1927 1997 Encompassing a teaching career of more than thirty years and such landmark publications as *The Politics of Jesus* Yoder s life and thought have profoundly impacted students and colleagues from a broad range of disciplines In the words of Stanley Hauerwas Yoder is probably the major theologian ethicists of this half century in America and certainly the leading Mennonite theologian of the twentieth century *The Wisdom of the Cross* is the only book to provide valuable secondary essays engaging Yoder s central theological concerns together with a biographical reflection on his life and legacy Written by scholars both from within and outside of Yoder s Mennonite community these essays develop the most significant aspects of Yoder s thought from his powerful defense of Christian pacifism to his seminal analysis of the politics of Jesus to his challenging contributions to Christian social ethics ecclesiology and theological method The book also includes a previously unpublished essay on moral absolutes by Yoder himself A fitting tribute to Yoder s distinguished career this volume will be useful to readers new to Yoder s work and to those wishing to probe more deeply into the implications of his thought *Serve and Protect* Tobias Winright,2020-11-13 This collection of essays on policing and the use of force while written over the course of the last twenty five years remains relevant and timely Although issues in policing and questions about excessive force and brutality have been addressed by criminologists sociologists philosophers and criminal justice ethicists only a handful of theological ethicists treat this pressing matter While the Christian moral tradition has a voluminous record of theological attention to violence and nonviolence war and peace there is a dearth of references to policing And most considerations of criminal justice issues by Christians and their churches concentrate on prison reform or

abolition and the death penalty but not policing These essays authored by a theological ethicist possessing professional experience in law enforcement seek to fill this curious gap They offer a framework for moral reasoning concerning the justification for police use of force and the just application of such force and they propose just policing as a model that is consonant with promoting a just peace in communities and society In addition they explore the implications of such an approach for wider international questions about just war terrorism the responsibility to protect and post war justice

Crime and Its Victims Daniel W. Van Ness,1986-03-21 Daniel W Van Ness analyzes the problems that make our criminal justice system ineffective expensive and unjust And he offers a concrete proposal for reform to benefit both offenders and victims Foreword by Chuck Colson *Annotated Bibliography of Mennonite Writings on War and Peace, 1930-1980* Willard M.
