## **Dialectical Social Science In The Age Of Complexity:**

Dialectical Social Science in the Age of Complexity Ian Trevor King,2001 This study places dialectical thinking theory and method on a solid scientific footing with respect to the contemporary sciences of holistic relationism and offers a competing even superior philosophy of social science to the mainstream version of positivistic behaviourism It also indicates ways in which a dialectical holistic relational social science will help to shape a more democratic humane style of politics and public policy It subjects mainstream social science to wholesale reorientation and in doing so offers a valid prescription for a post positivistic post behaviourist social science that is scientifically grounded

Co-opting Culture Garrick B. Harden,Robert Carley,2009-06-16 Co opting Culture Culture and Power in Sociology and Cultural Studies represents a collection of new scholarship on culture from the social sciences and from work done under the rubric of cultural studies Working from the idea that Sociology and Cultural Studies have developed distinct and valuable toolkits for understanding culture the editors have brought together a collection of essays that address the ways in which the cultures around race sex and gender are mediated through or intersect with politics society and economy Some essays deal directly with the theoretical nature of this mediation while others adopt these theoretical approaches to investigate specific cultural objects or communities In doing so these essays call attention to the particularities of form that constitute a kind of cultural logic around the objects under consideration
