Developments Of International Law In Treaty Making:

Developments of International Law in Treaty Making Rudiger Wolfrum, Volker Röben, 2005-03-29 The book explores the various means of making non conventional non treaty law and the cross cutting issues that they raise Law making by technical informal expert bodies Conferences of Parties international organizations the UN Security Council regional organizations and arrangements and non state actors is examined in turn This forms the basis for the analysis of the complementarity of international treaty law customary international law and non traditional law making potential subject matters of non treaty law making domestic consequences of non treaty law making proliferation of actors commissions and treaty bodies of the UN system and International courts and tribunals *The Development of International Law After the World War* Otfried Nippold, 1923 *The Development of International Law* Sir Geoffrey Gilbert Butler, Simon Maccoby, 1928

Integrating Sustainable Development in International Investment Law Manjiao Chi, 2017-10-10 The current international investment law system is insufficiently compatible with sustainable development To better address sustainable development concerns associated with transnational investment activities international investment agreements should be made more compatible with sustainable development Integrating Sustainable Development in International Investment Law presents an important systematic study of the issue of sustainable development in the international investment law system using conceptual normative and governance perspectives to explore the challenges and possible solutions for making international investment law more compatible with sustainable development Chi suggests that to effectively address the sustainable development concerns associated with transnational investment activities the international investment agreements system should be reformed Such reform should feature redesigning the provisions of the agreements improving the structure of international investment agreements strengthening the function of soft law engaging non state actors and enhancing the dispute settlement mechanism The book is primarily aimed at national and international treaty and policy makers lawyers and scholars It is also suitable for graduate students studying international law and policy making The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4 0 license *The State Practice of India and the Development of International Law* Bimal N. Patel, 2016-06-27 The State Practice of India and the Development of International Law by Bimal N Patel provides a critical analysis of India s state practice and development of international law Providing insight into the historical evolution of Indian state practice from pre 1945 period through the 21st century the work meticulously and systematically examines the interpretation and execution of international law by national legislative executive and judicial organs individually as well as collectively The author demonstrates India s ambitions as a rising global power and emerging role in shaping international affairs and convincingly argues how India will continue to resist and prevent consolidation of Euro American centric influence of international law in areas of her political economic and culture influence *Proceedings of the American*
