

DEVIL MAY CARE

Devil May Care

Paul McFedries

Devil May Care:

The Complete Idiot's Guide to Weird Word Origins Paul McFedries, 2008 What does it mean to chew the fat Why do we put things in apple pie order And what on earth is a hat trick Readers will learn all this and more in this fun and engaging new addition to the Complete Idiot's Guide series The Complete Idiot's Guide to Weird Word Origins This humorous book provides entertaining insight on the often metaphorical always taken for granted phrases and expressions used every day In it language expert Paul McFedries takes readers through the sometimes surprising always amusing world of weird words and expressions and the fascinating stories that surround them Presented in a fun easy to read style this book takes readers on a journey through the bizarre and eccentric origins that make up our everyday speech *The Devil May Care* Tony Horwitz, 2003 Stripped naked and pursued across cactus studded plains by a band of armed Blackfoot Indians John Colter escaped certain death to become the one of the most durable characters in western American history But Colter's harrowing tale was not beyond the ordinary when compared to the adventures of other American explorers In The Devil May Care popular historian and travel writer Tony Horwitz has culled through the American National Biography and selected fifty stirring biographies of adventurers who had no one's footsteps to follow in and yet contributed enormously to our understanding of the world Horwitz introduces us to fascinating individuals such as John Ledyard the first American to see what would become the Pacific Northwest and Elisha Kent Kane America's first arctic hero who stumbled upon an extremely strange remedy for scurvy while icebound off of Ellesmere Island Having set off into the unknown many times himself as a foreign correspondent Horwitz brings a subtle sense of humor and a reporter's eye for detail to a collection that offers a glimpse inside the lives of historic Americans who brazenly challenged danger as they pursued their wanderlust to extreme climates and forbidding environments Beginning with a short essay Horwitz seeks his own definition of exploration drawing on some of his research into the voyages of Captain James Cook and considering its larger implications throughout history Archival photographs as well as a lively and personal introduction to each story by Horwitz further enhance the appeal of a volume that winds its way through several centuries of American exploration affirming that the best adventure stories are the true ones The Devil May Care David Housewright, 2014-06-03 Riley Brodin is the granddaughter of Walter Muehlenhaus a man as rich powerful and connected as anyone since the days of J P Morgan Despite her family's connections it's McKenzie she reaches out to when her relatively new boyfriend goes missing Despite his reservations about getting involved with the Muehlenhaus family again Mac McKenzie agrees to look for one Juan Carlos Navarre What he finds though is a man who appears to be a ghost The house mansion really he told Riley he owned is actually a rental barely lived in and practically devoid of personal effects The restaurant he claimed to own is owned by another and Navarre merely an investor He apparently has no friends no traceable past and McKenzie isn't the only one looking for him Whoever Juan Carlos Navarre is and wherever he's gone the one thing that is clear is that he's trouble and is perhaps someone as Riley's family makes clear

better out of the picture Unfortunately for everyone McKenzie likes trouble and trouble likes him in *The Devil May Care* by David Housewright **The Spirit of the Nation**, 1844 **The Spirit of the Nation. Ballads and Songs by the writers of "The Nation," with original and ancient Music, arranged for the Voice and Piano-Forte** Thomas Davis, 1845 The Spirit of the Nation Thomas Osborne Davis, Thomas Davis, 1845 *Mike Martin* Francis Alexander Durivage, 1845

Against All Odds Aline Hanna, 2010-09-07 This collection of Poetry was compiled by my late father George Matthews who in his teenage years enlisted in the Army in World War One He was sent to France and seriously wounded He did not talk much about the War veterans are not inclined to talk about their experiences and all the horrors they endured but he did tell me he remembered the shell hitting the trench in which he was He remembers running for cover but when he was found he was thought to be dead He was not however and possibly due to the delay in finding this out gangrene had set in and he had to have his right arm and left leg amputated During his stay in hospital in London he underwent thirteen operations and right up until he died at the age of 62 there were still pieces of shrapnel embedded in his body He was the most wonderful father to me and we shared many things including his love of music and flowers He had a wonderful bass voice and sang in concerts many times He was the most courageous man I have ever met nothing daunted him he even walked without the aid of a cane or crutch He had however to learn to write with his left hand and by way of practice gathered up this collection of poetry His book was discovered years after his death and because of the effort it must have been for him to do this I thought I should try in some way to compile this collection in book form His writing was so clear it took no effort on my part to make a copy I have included some words I wrote after he died expressing my love and admiration for him called *The Dearest One I Knew* I hope you enjoy the variety of his work and on next Armistice Day spare a thought for men like him who survived the horrors of war and still do but face life with courage and fortitude Aline Hanna Matthews A Dictionary of Anglo-American Proverbs & Proverbial Phrases, Found in Literary Sources of the Nineteenth and Twentieth Centuries George B. Bryan, Wolfgang Mieder, 2005 *A Dictionary of Anglo American Proverbs Proverbial Phrases Found in Literary Sources of the Nineteenth and Twentieth Centuries* is a unique collection of proverbial language found in literary contexts It includes proverbial materials from a multitude of plays auto biographies of well known actors like Britain s Laurence Olivier songs by William S Gilbert or Lorenz Hart and American crime stories by Leslie Charteris Other authors represented in the dictionary are Horatio Alger Margery Allingham Samuel Beckett Lewis Carroll Raymond Chandler Benjamin Disraeli Edward Eggleston Hamlin Garland Graham Greene Thomas C Haliburton Bret Harte Aldous Huxley Sinclair Lewis Jack London George Orwell Eden Phillpotts John B Priestley Carl Sandburg Harriet Beecher Stowe Jesse Stuart Oscar Wilde and more Many lesser known dramatists songwriters and novelists are included as well making the contextualized texts to a considerable degree representative of the proverbial language of the past two centuries While the collection contains a proverbial treasure trove for paremiographers and paremiologists alike it also presents general readers interested in folkloric linguistic cultural and

historical phenomena with an accessible and enjoyable selection of proverbs and proverbial phrases
