**8 Crazy Moments in Time** Douglas J. McGregor, 2016-04-20 Three excerpts from the eight stories Antietam I had read the cornstalks ranged between six and ten feet high from my perspective the stalks looked higher The light wind eerily swayed the late summer corn and the first slants of daylight hit the field The glint of the sun bouncing off the bayonets chilled my blood and with utter fascination I watched the Confederates move about in the green and yellow of the corn like gray ants The Time Machine The dog grinned coyly I know what you're thinking maybe you can get to me and if I were you I'd be thinking that too but shovel or not everything is drenched in gas even the shovel Rex allowed his words ample time to be absorbed before adding You're gonna catch on fire That can't be avoided No matter how smart you are you can't think of a way out Cuz there is no way out You are trapped The Last Cubicle A long pause ensued as he stared into her eyes and then he quietly asked Why am I sitting in the last cubicle with an angel A sheet of paper appeared in her hand and she pointed at the letterhead Spell D E Mood backwards
