Devils Birthday The Bridges To Arnhem 1944:

The Devil's Birthday Geoffrey Powell, 2009-04-03 A WWII veteran combines firsthand immediacy with perceptive analysis in this vividly detailed history of the Battle of Arnhem The Allied effort to liberate the Netherlands faced a brutal setback at the Battle of Arnhem where the men of the 1st British Airborne Division showed unsurpassed valor in the face of overwhelming opposition The dramatic defeat immortalized in the famous film *A Bridge Too Far* is recounted here by Major Geoffrey Powell who commanded C Company of the 156th Battalion and who valorously led the entire battalion through and out of the onslaught In *The Devil's Birthday* Powell draws on his own experience of the fighting while offering a deeply researched assessment of the operation and its execution Casualties during the battle were appalling The brave and enduring Dutch people suffered catastrophically while German morale was strengthened at a time of otherwise ebbing fortunes But the hard lessons of Arnhem will not be forgotten *Air Power at the Battlefield* Dr Ian Gooderson, 2013-05-13 Ian Gooderson presents a study of close air support in World War II with the analysis focusing on the use of tactical air power by British and American forces during the campaigns in Italy and northwestern Europe between 1943 and 1945 *Air University Review*, 1986-05 *Battle for Warsaw, 1939-1944* Michael Alfred Peszke, 1995 **Uncertain Horizons** Canadian Committee for the History of the Second World War, 1997 **Arnhem** Robert Jackson, 2003 On September 17th 1944 three Allied airborne divisions two American one British totaling 30 000 men landed at Eindhoven Nijmegen and Arnhem in Holland Their task was to lay an airborne carpet across Holland to the Rhine seizing vital bridges and opening up a route for an advance into northern Germany by the British Second Army This book covers all aspects of that massive operation which was code named Market Garden and deals with the German side as well as the British and American Above all it tells of the epic and heroic stand of the British 1st Airborne Division at Arnhem where the paratroops fought against increasingly hopeless odds for nine days They were supposed to have held on for only two until the ground offensive reached them It never did **Arnhem 1944** Stephen Badsey, 2004 Market Garden was one of the most audacious and ultimately controversial operations of the Second World War a joint penetration by an armored column and a large scale airborne drop The objective was to secure key waterways and railheads and punch a decisive hole in the German defenses If it had succeeded the war could have been ended in 1944 Stephen Badsey closely examines the combatants analyzing their strengths and weaknesses and explaining the different phases of the battle Yet the two pronged attack failed as a confusing and daily changing pattern of events unfurled Instead of being relieved after 48 hours as expected British paratroopers were cut off for nine days as the 2nd Army's spearhead XXX Corps were slowed by constant German shelling Facing two unexpected SS Panzer divisions the Allied paratroops were eventually evacuated across the Rhine after putting up an incredible fight Of the 10 000 men involved fewer than 2 000 survived Badsey provides an authoritative and absorbing account of why this happened He closely examines the combatants analyzing their strengths and weaknesses and explaining

the different phases of the battle In the Shadow of Arnhem Ken Tout,2003 The Battle of Arnhem in September 1944 has been much publicized over the years Although the campaign came close to success its relative failure left the Allies trapped within a 30 mile stretch of road The Arnhem debacle saw vast stretches of Holland to the left and right of the salient occupied by enemy forces These areas of Holland criss crossed by unfordable rivers and closely populated by small villages had to be cleared by Allied troops in platoon or company strength fighting in tight situations against bitter skilled resistance There was none of the awesome and inspirational massing of troops seen in the battle of Normandy for Arnhem itself Interweaving his narrative with the eyewitness accounts and personal reminiscences of British Canadian and Polish troops Ken Tout reveals how these men performed their heroic deeds They suffered and died in unheralded largely forgotten minor skirmishes but on a scale far exceeding the casualties of the immediate assault on Arnhem Defence Journal ,2002

They Answered the Call Fred Bagley,2007 During the 20th Century Canada participated significantly in three international conflicts The First and Second World Wars and the Korean War In each of these conflicts young Canadians responded voluntarily to their country s call to arms They Answered the Call features the wartime biographies of nine such Canadians all of whom had different personal reasons for answering the call and all of whom had their lives changed by the experience This well researched collection from author Fred Bagley features interviews photographs letters and more

Montgomery and Colossal Cracks Stephen Hart, 2000-05-30 A reinterpretation of the British Army's conduct in the crucial 1944-45 Northwest Europe campaign this work examines systematically the Colossal Cracks operational technique employed by Montgomery's Anglo Canadian 21st Army Group and demonstrates the key significance that morale and casualty concerns exerted on this technique To ensure a full understanding of the campaign one needs to look not only at Montgomery's methods but at those of his army commanders Dempsey and Crerar thus this study addresses the scant attention to date paid to these two figures Hart suggests that Montgomery and his two senior subordinates handled this formation more effectively than some scholars have suggested In fact Colossal Cracks the concentration of massive force at a point of German weakness represented the most appropriate weapon the 1944 British Army could develop under the circumstances Previous studies have been characterized by an overemphasis on Montgomery's role in the campaign rather than a systematic examination of overall British methods They have ignored the difficulties that the 1944 British Army faced given its manpower shortage and they have underestimated the appropriateness of Monty's methods to the campaign war aims that Britain pursued namely the desire that Britain's modest military forces secure a high profile within a larger Allied effort The cautious firepower laden approach used by the 21st Army Group was both crude and a double edged sword however despite these weaknesses Colossal Cracks represented an appropriate technique given the nature of British war aims and the relative capabilities of the forces involved It proved to be just enough to defeat the Germans and keep alive British hopes that her war aims might be achieved
