The original 63 volumes set are now reduced to 9 volumes. Here is volume 9. We have completed volume 6-9 which are the New Testament. Lord willing, in 2023 we will try to complete volume 1-5 which is the Old Testament. This volume was published between 1867-1874. In contrast to the extreme skeptical critical mode which came to characterize much of German scholarship in the 19th century, Lange represented a more traditional conservative and Evangelical approach shared in common with men such as E. W. Hengstenberg. He was also a Reformed minister, and the Commentaries reflect this combination of conservative criticism, Evangelical theology, and homiletics in a way that is unique. For each passage that is covered, a consistent approach is adopted throughout. After giving the text in translation along with textual notes as footnotes, three different kinds of commentary are presented: EXEGETICAL AND CRITICAL, DOCTRINAL AND ETHICAL, HOMILETICAL AND PRACTICAL. This gives you three times the value. For each verse, you select a drop-down box which will appear, allowing you to choose from each of these areas or kinds of commentary. For detailed analysis, go to the exegetical critical notes; for sermon ideas and pastoral insights, select the Homiletical notes. **NIV Family Walk Devotional Bible** Zondervan Publishing, 1996.
