Dialogue Of Forms:

Plato and the Socratic Dialogue Charles H. Kahn, 1997-01-09 This book offers a new interpretation of Plato's early and middle dialogues as the expression of a unified philosophical vision. Whereas the traditional view sees the dialogues as marking successive stages in Plato's philosophical development, we may more legitimately read them as reflecting an artistic plan for the gradual, indirect and partial exposition of Platonic philosophy. The magnificent literary achievement of the dialogues can be fully appreciated only from the viewpoint of a unitarian reading of the philosophical content. **Plato's**

Dialogue Form and the Care of the Soul Mark Moes, 2000 Plato's Dialogue Form and the Care of the Soul discusses how to read a Platonic dialogue and includes detailed readings of the Symposium and the Philebus. In light of recent nondogmatic and dramatic readings of Plato's work, it argues that the dialogues depict Socrates and the other masters as practicing philosophy by extending and reinterpreting Greek medicine in a peculiar, quasi-psychiatric way. This book contends that many of the dialogues are depictions of conversations between philosophers and nonphilosophers, conversations which are importantly similar to interactions between physicians and patients in Greek medical practice. The book contends that these conversations include both diagnostic and therapeutic moments and function as quasi-psychiatric case histories presented by Plato to his readers. **The Dialogue in English Literature** Elizabeth Merrill, 1911 Critical Forms Ross Wilson, 2023

Critical Forms is an account of the generic forms in which literary criticism has been undertaken. It examines literary criticism from around 1750 to the present and examines prefaces, selections and anthologies, reviews, lectures, dialogues, letters and life writing. *The Dialogue Form in Philosophy* Kathy A. White, 2009 **Early Modern English Dialogues** Jonathan Culpeper, Merja Kytö, 2010-02-18 This book analyses speech-related genres in Early Modern English, providing ideas of what spoken interaction in earlier times might have been like. **Yale Studies in English**, 1911 **Abraham and the**

Secular Simone Raudino, Uzma Ashraf Barton, 2021-11-01 This volume offers both theoretical approaches and case studies on the relationship between religion and the secular world. Bringing together contributions from seasoned authors, religious leaders and brilliant new scholars, it frames the long-standing debate on how to structure a comparative representation of any religion on the one side and the secular world on the other. Often the very act of comparing religions exposes them to an assessment of their role in history and politics and risks leading to some sort of grading and ranking, which is highly unproductive. By candidly discussing the relation between religion and the secular and providing concrete examples from four case studies: Christianity, Islam, Judaism, Baha'i, this book provides an important reference on how this can be achieved in a neutral way while keeping in mind the normative finality of seeking conciliation to existing fractures both within and among religions. **Dialogues and Debates from Late Antiquity to Late Byzantium** Averil Cameron, 2017-01-20 This is the first book to deal with the writing of literary and philosophical dialogues in Greek from the Roman empire to the end of Byzantium and beyond. Arranged in chronological order, 16 case studies combine theoretical approaches and in-depth analysis.

introduce a wide array of such dialogues including consideration of the neighbouring Syriac Georgian and Armenian as well as Latin traditions The authors and genres studied include Plutarch John Chrysostom Maximus Confessor the Adversus Iudaeos and apocryphal revelation dialogues Anselm of Havelberg Soterichos Panteugenos Niketas of Maroneia Theodore Prodromos Nikephoros Gregoras Manuel II Palaiologos and George Scholarios
