Dialogues Concerning Natural Religion David Hume,2019-03-28 It has been remarked by HERMIPPUS that though the ancient philosophers conveyed most of their instruction in the form of dialogue this method of composition has been little practised in later ages and has seldom succeeded in the hands of those who have attempted it Accurate and regular argument indeed such as is now expected of philosophical inquirers naturally throws a man into the methodical and didactic manner where he can immediately without preparation explain the point at which he aims and thence proceed without interruption to deduce the proofs on which it is established To deliver a SYSTEM in conversation scarcely appears natural and while the dialogue writer desires by departing from the direct style of composition to give a freer air to his performance and avoid the appearance of Author and Reader he is apt to run into a worse inconvenience and convey the image of Pedagogue and Pupil Or if he carries on the dispute in the natural spirit of good company by throwing in a variety of topics and preserving a proper balance among the speakers he often loses so much time in preparations and transitions that the reader will scarcely think himself compensated by all the graces of dialogue for the order brevity and precision which are sacrificed to them There are some subjects however to which dialogue writing is peculiarly adapted and where it is still preferable to the direct and simple method of composition **Dialogues Concerning Natural Religion Illustrated** David Hume,2019-12-26 *Dialogues Concerning Natural Religion* is a philosophical work by the Scottish philosopher David Hume Through dialogue three philosophers named Demea Philo and Cleanthes debate the nature of God s existence Whether or not these names reference specific philosophers ancient or otherwise remains a topic of scholarly dispute While all three agree that a god exists they differ sharply in opinion on God s nature or attributes and how or if humankind can come to knowledge of a deity In the Dialogues Hume s characters debate a number of arguments for the existence of God and arguments whose proponents believe through which we may come to know the nature of God Such topics debated include the argument from design for which Hume uses a house and whether there is more suffering or good in the world argument from evil Hume started writing the Dialogues in 1750 but did not complete them until 1776 shortly before his death They are based partly on Cicero s *De Natura Deorum* The Dialogues were published posthumously in 1779 originally with neither the author s nor the publisher s name **Science and Religion in Dialogue** Melville Y. Stewart,2010 *A Dialogue by Way of Catechism, Religious, Moral, and Philosophical* A Physician,Robert Willis,1872 *FINDING INFINITE GOD in JEWISH-CHRISTIAN DIALOGUE* Vivian Anne Scarnati Scott,2025-02-11 *A Virtuous Path to GOD FINDING INFINITE GOD IN JEWISH CHRISTIAN DIALOGUE* Behold I am the LORD the GOD of all flesh Is anything too wondrous for Me Jeremiah Nevi im Prophets 32 27 The thought provoking ageless question above from GOD also answers every age of humanity Now in the third decade of our twenty first Century today s expanding communication marvels while accelerating to future enterprises often become

mindfully absent of the Godly source driving their intellectual capacity Jewish Christian interreligious dialogue travels those same highways of mind although at times hampered by prejudice depravity and indifference This theological work argues and advocates a best position for successful dialogue between two faiths grappling with the grave injustices and blood stained persecutions of an incomprehensible unconscionable history that can only be resolved by GOD In recounting horrific facts from Holocaust Inquisition and other atrocities marring the beautiful life GOD intended these events had occurred even after meaningful Divine Prophetic Word warned of grave outcomes And in consequence GOD s omnipotence in rescuing His people is evidenced throughout history Somehow evil never prevailed The Scriptures remind us to seek and trust our loving Creator Who has faithfully kept His Covenants beyond space and time Such Divine reminders seed hope and fortitude to guard our rights and religion in this embattled world struggling against politically spate doctrines and limited laws failing race and freedom Tragically even in our new century massacres and mayhem borne out of evil persist afflicting our Churches Synagogues and homes Still while at times disharmony quells the joy of living there is no greater force or wonder than Infinite GOD Success in Jewish Christian dialogue just as good deeds for interfaith relations requires abiding respect for fellow humanity and a loving non discriminating heart GOD s markers and signposts all lead to purposeful truth the trilateral pure virtuous and charitable road is the only way beyond an otherwise dark impious world into a luminous one a realm where humanity may share joyful dialogue and divinely planned spiritual destiny Ageless immutable Ten Commandments from GOD forged with basic precepts unchanged and following His first nurturing Seven Noahide Laws ground and inspire what religious scholars consider for valid communication essential for interreligious dialogue Remarkably the Noahide Laws were defined as the bedrock of society by a Joint Resolution of the U S Congress on March 21 1991 see Preface section on The Rainbow Covenant GOD s sacred scriptural truths proclaimed by His prophets are resounded by heavenly minded theologians qualified to teach His Word The researched testimonial criteria given within this work yield beneficial recommendations for a best heavenly directed path for finding GOD in harmonious dialogue Six eminent contemporary theologians interviewed herein assembled equally from Jewish and Christian communities are joined with a renowned hierarchy of blessing and inspiration who nobly illuminate the way These virtuous champions who profess GOD s eternal truth while valiantly identifying winding disparities and dissidence contrary to His intended Plan acknowledge and communicate in their own humble and human understanding that indeed nothing is too wondrous for GOD
