Dialogus De Oratoribus:

The World of Tacitus' Dialogus de Oratoribus Christopher S. van den Berg,2014-09-11 Coming to terms with the rhetorical arts of antiquity necessarily illuminates our own ideas of public discourse and the habits of speech to which they have led Tacitus wrote the Dialogus at a time ca 100 CE when intense scrutiny of the history the definitions and the immediate relevance of public speech were all being challenged and refashioned by a host of vibrant intellects and ambitious practitioners This book challenges the notion that Tacitus sought to explain the decline of oratory under the Principate Rather from examination of the dynamics of argument in the dialogue and the underlying literary traditions there emerges a sophisticated consideration of eloquentia in the Roman Empire Tacitus emulates Cicero s legacy and challenges his position at the top of Rome s oratorical canon He further shows that eloquentia is a means by which to compete with the power of the Principate

Cornelius Tacitus Dialogus de Oratoribus Cornelius Tacitus,2016-05-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
