

Introduction to the History of the United States

The history of the United States is a complex and multifaceted story that has shaped the nation's identity and values. This course will explore the key events, figures, and movements that have defined the American experience from its founding to the present day.

The course is divided into several sections, each focusing on a different period of American history. The first section covers the early years of the nation, from the founding of the colonies to the American Revolution. The second section explores the period of westward expansion and the Civil War. The third section focuses on the Reconstruction era and the rise of the industrial revolution. The final section examines the modern era, from the Progressive movement to the present day.
