**Tax Reform with the 20/20 Tax** James C. Tanner,2015-12-02 Many books have been written about tax reform but none offer the pragmatic and understandable approach that youll find in this treatise filled with a nonpartisan set of solutions to fix an antiquated and indecipherable tax system James C Tanner a certified public accountant with more than four decades of experience explores how we can Create a fair and logical tax framework by rethinking income exclusions exemptions deductions credits tax brackets capital gains

and other tax alternatives reform tax expenditures including health insurance and medical costs home mortgage and other interest deductions retirement plan deductions charitable donations and capital gains on assets sold and transferred lower the tax rates for most individual and corporate taxpayers while making our US companies more competitive with their foreign counterparts Tanner also outlines how historical decisions and legislative proposals led to our current tax laws under the premise that we cant fix them without understanding why they were created in the first place For those who want to participate in the national debate on federal tax reform it begins with a firm understanding of the system and the practical proposals in Tax Reform with the 20 20 Tax     *ABA Journal* ,1976-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
