

# 1st Century Guitar

**Robin Behn**

## **1st Century Guitar:**

*Traditions of the Classical Guitar* Graham Wade, 2018-01-01 First published in 1980 *Traditions of the Classical Guitar* has been described as the first book to examine in detail the many traditions of one of today's most popular instruments. With its central focus on Andres Segovia's pioneering work in establishing the guitar as an international concert instrument, it goes on to examine in detail its subsequent developments with reference to great artists such as Bream, Williams, Diaz, and Yepes. *Traditions of the Classical Guitar* continues to be a classic of twentieth-century guitar scholarship, offering a challenging assessment to perceptions of the guitar's progress throughout the ages. It is also a timely reminder of the glorious years of Segovia's concert career between 1909 and 1987. Segovia himself said of the work: "Graham Wade has shown his love for the guitar from the first page to the last, true love and understanding." *The Classical Guitar* John Morrish, 2002 Offering essays by the world's top experts in a full-color coffee-table quality book, this is the first work to tell the complete story of the classical guitar and its repertoire players and makers from its 19th-century European roots to modern international interpretations. This handsome softcover volume features lavish photography of classical guitars made by the best luthiers in the world. Additional essays cover use of the classical guitar in pop music, different playing and teaching techniques, the collectors market, and the science of the guitar. It also features profiles of legendary artists such as Andres Segovia, Julian Bream, and John Williams, plus a full discography, a glossary, an index, a bibliography, and a guitar measurement chart. **The New Guitarscape in Critical Theory, Cultural Practice and Musical Performance** Kevin Dawe, 2017-07-05 In *The New Guitarscape*, Kevin Dawe argues for a re-assessment of guitar studies in the light of more recent musical, social, cultural, and technological developments that have taken place around the instrument. The author considers that a detailed study of the guitar in both contemporary and cross-cultural perspectives is now absolutely essential and that such a study must also include discussion of a wide range of theoretical issues, literature, musical cultures, and technologies as they come to bear upon the instrument. Dawe presents a synthesis of previous work on the guitar but also expands the terms by which the guitar might be studied. Moreover, in order to understand the properties and potential of the guitar as an agent of music, culture, and society, the author draws from studies in science and technology, design theory, material culture, cognition, sensual culture, gender, and sexuality, power and agency, ethnography, real and virtual, and globalization. Dawe presents the guitar as an instrument of scientific investigation and part of the technology of globalization, created and disseminated through corporate culture and cottage industry, held close to the body but taken away from the body in cyberspace and involved in an enormous variety of cultural interactions and political exchanges in many different contexts around the world. In an effort to understand the significance and meaning of the guitar in the lives of those who may be seen to be closest to it, as well as providing a critically informed discussion of various approaches to guitar performance, technologies, and techniques, the book includes discussion of the work of a wide range of guitarists, including Robert Fripp, Kamala Shankar, Newton Faulkner, Lionel

Loueke Sharon Isbin Steve Vai Bob Brozman Kaki King Fred Frith John 5 Jennifer Batten Guthrie Govan Dominic Frasca I Wayan Balawan Vicki Genfan and Hasan Cihatter **Once Upon a Time in the Twenty-First Century** Robin Behn,2020-12-01 Fun and innovative exercises and prompts for creative writing students Once Upon a Time in the Twenty First Century Unexpected Exercises in Creative Writing is a unique creative writing text that will appeal to a wide range of readers and writers from grade nine through college and beyond Successful creative writers from numerous genres constructed these exercises including poetry fiction and creative nonfiction to one act plays song lyrics genre fiction travel guides comics and beyond The exercises use a broad range of creative approaches aesthetics and voices all with an emphasis on demystifying the writing process and having fun Editor Robin Behn has divided the book into three writing sections Genres and Forms Sources and Methods and Style and Subject In each section Behn offers a brief introduction which explains how to get started and specific ways to develop one s writing Each introduction is followed by extensive exercises that draw on literature from classic to contemporary as well as other art forms and popular culture Examples range from Flannery O Connor and Langston Hughes to Allen Ginsberg and Gertrude Stein from Jamaica Kincaid and James Joyce to Arlo Guthrie and Harryette Mullen Integrated within the exercises are apt examples of student writings that have emerged from actual use of the exercises in both the classroom and in writing groups The book concludes with general advice and direction on how to get published Based on years of hands on experiences in the teaching of creative writing in high schools colleges and after school writing clubs this volume of exercises offers inestimable value to students and teachers in the traditional classroom as well as a growing number of homeschoolers those who are part of a writing club or group and independent writers and learners of all ages [Twenty-First-Century Feminisms in Children's and Adolescent Literature](#) Roberta Seelinger Trites,2018-01-17 Over twenty years after the publication of her groundbreaking work Waking Sleeping Beauty Feminist Voices in Children s Novels Roberta Seelinger Trites returns to analyze how literature for the young still provides one outlet in which feminists can offer girls an alternative to sexism Supplementing her previous work in the linguistic turn Trites employs methodologies from the material turn to demonstrate how feminist thinking has influenced literature for the young in the last two decades She interrogates how material feminism can expand our understanding of maturation and gender especially girlhood as represented in narratives for preadolescents and adolescents Twenty First Century Feminisms in Children s and Adolescent Literature applies principles behind material feminisms such as ecofeminism intersectionality and the ethics of care to analyze important feminist thinking that permeates twenty first century publishing for youth The structure moves from examinations of the individual to examinations of the individual in social environmental and interpersonal contexts The book deploys ecofeminism and the posthuman to investigate how embodied individuals interact with the environment and via the extension of feministic ethics how people interact with each other romantically and sexually Throughout the book Trites explores issues of identity gender race class age and sexuality in a wide range of literature for

young readers such as Kate DiCamillo's *Flora and Ulysses*, Jacqueline Woodson's *Brown Girl Dreaming* and Rainbow Rowell's *Eleanor Park*. She demonstrates how shifting cultural perceptions of feminism affect what is happening both in publishing for the young and in the academic study of literature for children and adolescents.
