**The European Union , Language, Borders and Identity** Dominic Watt, 2014-10-12 Identifying and examining political socio psychological and symbolic borders Language Borders and Identity encompasses a broad geographically diverse spectrum of border contexts taking a multi disciplinary approach by combining sociolinguistics resea

**The Desecularisation of the City** David Goodhew, Anthony-Paul Cooper, 2018-09-21 Major cities have long been seen as centres of secularisation However the number of congregations in London grew by 50% between 1979 and the present London s churches have been characterised more by growth than by decline in the decades since 1980 The Desecularisation of the City provides the first academic survey of churches in London over recent decades linking them to similar developments in other major cities across the West Produced by a large team of scholars from a range of disciplines this volume offers a striking and original portrait of congregational life in London since 1980 Seventeen chapters explore the diverse localities ethnicities and denominations that make up the church in contemporary London The vitality of London s churches in the last four decades shows that secularisation is far from inevitable in the cities of the future This study necessitates a significant reassessment of the dominant academic portrayal of Christianity in Britain and the West which has mostly depicted cities as secular spaces within a secularising culture It will be of great interest to scholars working across a wide range of disciplines including history sociology religious studies and theology

**Focus On People and Migration** NA NA, 2016-04-30 Focus on People and Migration paints a comprehensive picture of the UK s population both now and in the future The report examines where people live in the UK and provides an in depth look at the UK s largest urban areas It then focuses on the age structure of the UK population fertility and mortality patterns and the movement of people into out of and within the UK and examines how these factors will shape the future UK population Particular population groups such as

those born overseas are examined in more depth and finally the UK's demographic characteristics are compared with those of other countries to give an international perspective *Population Trends No. 117 Autumn 2004* NA NA, 2004-09-30 This quarterly publication covers population and demographic information It contains commentary on the latest findings topical articles on relevant subjects such as one parent families cohabitation fertility differences international demography population estimates and projections for different groups illustrated with colour charts and diagrams regularly updated statistical tables and graphs showing trends and the latest quarterly information on conceptions births marriages divorces internal and international migration population estimates and projections etc This issue includes articles on Perpetual postponers Women's men's and couple's fertility intentions and subsequent fertility behaviour focussing particularly on women who are childless in their thirties by Ann Berrington Characteristics of sole registered births and the mothers who register them by Steve Smallwood Estimates of true birth order for Scotland 1945-1999 including a comparison with England and Wales data by Jessica Chamberlain and Steve Smallwood Reports on Divorces in England and Wales during 2003 and Internal migration estimates for local and unitary authorities in England and former health authorities in Wales 2003
