23 Shades Of Black

**Kenneth Wishnia, Chantelle Aimée
Osman**

23 Shades Of Black:

23 Shades of Black Kenneth Wishnia,2012-06-01 **23 Shades of Black** is socially conscious crime fiction It takes place in New York City in the early 1980s i e the Reagan years and was written partly in response to the reactionary discourse of the time when the current thirty year assault on the rights of working people began in earnest and the divide between rich and poor deepened with the blessing of the political and corporate elites But it is not a political tract it s a kick ass novel that was nominated for the Edgar and the Anthony Awards and made Booklist s Best First Mysteries of the Year The heroine Filomena Buscarsela is an immigrant who experienced tremendous poverty and injustice in her native Ecuador and who grew up determined to devote her life to helping others She tells us that she really should have been a priest but since that avenue was closed to her she chose to become a cop instead The problem is that as one of the first Latinas on the NYPD she is not just a woman in a man s world she is a woman of color in a white man s world And it s hell Filomena is mistreated and betrayed by her fellow officers which leads her to pursue a case independently in the hopes of being promoted to detective for the Rape Crisis Unit Along the way she is required to enforce unjust drug laws that she disagrees with and to betray her own community which ostracizes her as a result in an undercover operation to round up undocumented immigrants Several scenes are set in the East Village art and punk rock scene of the time and the murder case eventually turns into an investigation of corporate environmental crime from a working class perspective that is all too rare in the genre And yet this thing is damn funny too

23 Shades of Black K. J. A. Wishnia,2009-12

Red House Kenneth Wishnia,2014-03-01 First she was a beat cop then she was unemployed Now Kenneth Wishnia s dynamic Filomena Buscarsela has apprenticed herself to a New York City PI firm to put in the three years necessary to get her own PI license which she needs to earn enough money to support herself and her daughter Trouble is she often agrees to take on sticky neighborhood cases pro bono like the group of squatters restoring an abandoned building in the neighborhood rather than handle the big bucks clients her bosses would prefer While helping out her more senior colleagues with her own superior investigative techniques bred from years on the beat Fil agrees to look into the disappearance of a young immigrant Then witnessing the arrest of a neighbor on marijuana possession charges that nearly turns into a shoot out with the police Fil is roped into finding out what went wrong Trying to balance charity cases like these with bread and butter cases not to mention single motherhood Fil is quickly in over her head dodging bullish cops aggressive businessmen and corrupt landlords in their working class Queens neighborhood After years of policing and backstreet bloodhounding Filomena Buscarsela is apprenticing to earn her own private investigator s license She pours on her Spanish her clever tricks and her battle tested charms to uncover a labyrinth of deceit racial prejudice and impenetrable bureaucracy that not only rocks her neighborhood but also threatens the foundation of the big red house that is this PI s America

Blood Lake Kenneth Wishnia,2014-08-01 The Ecuadorian Andes is one of the few places on earth where you can get a sunburn and freeze to death at the same time When New York City PI Filomena

Buscarsela takes her teenaged daughter Antonia to see their extended family in Ecuador it's more than a homecoming Filomena hasn't been back in years and the trip brings back memories of her previous life as a revolutionary Before she even had time to adjust to her new surroundings a priest is murdered a man who years ago saved her life and helped her escape to the United States She owed him her life now it's time for the debt to be repaid and she vows to find his killer It's an election year and the dirty hands of politics seem to be everywhere perhaps even in this senseless death Filomena's investigation promises to lead her back to the very people she escaped all those years ago As the country is wracked by natural and man made disasters landslides floods food shortages protests crackdowns Filomena becomes a fugitive from the law racing across the country toward a climactic confrontation in the Amazon jungle Wishnia provides a novel rich with the sights sounds and dangers of Ecuador and a compelling look at the provenance of one of mystery fiction's most dynamic heroines

This Rancid Mill Kyle Decker,2023-04-18 With his blue mohawk and ragged leather jacket Alex Damage fits in to only a small pocket of 1981 Los Angeles the dynamic changing punk scene In this world he survives on favors and reputation as a small time private investigator but when a young woman hires him to solve the potential murder of the singer of one of his favorite local bands everything in his life amps up As he digs deeper into what really happened Alex must both seek out and dodge an endless array of dangerously powerful drug dealers aging porn stars crooked cops neo Nazi skinheads and shadowy corrupt politicians The deeper he gets and the more punishment his body takes and the more he begins to fall for the woman who hired him the more determined he becomes to follow the trail to its conclusion In the end the truth is far more complicated than Alex had thought not only about the murder and the victim's unsavory private life but also about Alex's own past behaviors and attitudes Meticulously researched and drawing from memoirs zines and documentaries Alex Damage's story comes to life with real hangouts and real shows from LA in 1981 which makes the book immersive for the people who were there as well as those who wish they could have been

Glass Factory Kenneth Wishnia,2013-08-01 Ex NYPD cop Filomena Buscarsela the irrepressible urban crime fighter of 23 Shades of Black and Soft Money is back This time the tough talking street smart Latina heroine sets her sights on seemingly idyllic suburbia where an endless sea of green lawns hides a toxic trail of money and murder But something is rotten on Long Island When Filomena discovers that a high tech Long Island factory is spewing poisons into the water supply she's sure that the contaminator is none other than her nemesis a cutthroat industrial polluter with an airtight financial empire Armed only with an ax to grind the gutsy Filomena knows she'll have to play dirty to clean up the neighborhood Her search for justice introduces her to the unfamiliar scent of privilege from the state of the art chemistry lab of a local university to the crumbling ruins of a beachfront estate from a glittering high society party to an intimidating high security chemical plant and immerses her in the all too familiar stench of political corruption and personal greed Once again Filomena's nose for trouble has drawn her into a case that's more than a little hazardous to her health As the action heats up she must juggle the dangers of the investigation with the demands of her

three year old daughter and the delights of a surprising new romance **Soft Money** Kenneth Wishnia,2013-03-14 Even the best cops burn out 23 Shades of Black s Filomena Buscarsela returns having traded in her uniform for the trials of single motherhood Once a cop always a cop She may have left the department but Filomena s passion for justice burns as hot as ever And when the owner of her neighborhood bodega is murdered just another ethnic crime that will probably go unsolved and unavenged Filomena doesn t need much prodding from the dead man s grieving sister to step in Secretly partnered with a rookie cop she hits the Washington Heights streets to smoke out the trigger happy punks who ended an innocent life as callously as if they were blowing out a match From the labyrinthine subway tunnels of upper Broadway to the upscale enclaves that house the rich and beautiful from local barrio hangouts to high priced seats of power Filomena follows a trail of dirty secrets and dirtier politics with some unexpected stops in between In a town big enough to hold every kind of criminal crackpot liar and thief from ruthless gangsters to corporate executives drunk on greed and power she tracks a killer through the city s danger zones **Catalogue of Rare Objects in Brass, Leathers and Wood Illustrating the Art of Old Japan** Bunkio Matsuki,American Art Association,1903 **Slightly Chipped** Lawrence Goldstone,Nancy Goldstone,2000-05-05 Continuing the couple s love affair with book collecting that was first shared with readers in Used and Rare the Goldstones get hooked on the correspondence and couplings of Bloomsbury track down Bram Stoker s earliest notes for Dracula and discover new places to buy rare tomes meeting eccentric personalities along the way *Karl Marx Private Eye* Jim Feast,2023-04-25 A rattling good yarn and a suspenseful whodunit against the backdrop of real historical events that brings sixteen year old Sherlock Holmes together with Karl Marx and his brilliant daughter Eleanor to solve a cascading series of murders at a Bohemian spa Karl Marx Private Eye is a page turner filled with tricky clues colorful detectives and an exotic setting Written in a brilliant parody of Arthur Conan Doyle this cozy historical mystery will keep readers guessing until its shocking final pages **Jewish Noir II** Kenneth Wishnia,Chantelle Aimée Osman,2022-08-23 Jewish Noir II is unique collection of twenty three all new stories and one reprint by Jewish and non Jewish literary and genre writers including numerous award winning authors such as Gabriela Alem n Doug Allyn Rita Lakin Rabbi Ilene Schneider E J Wagner and Kenneth Wishnia with a foreword by MWA Grand Master Lawrence Block The stories explore such issues as the perpetual challenge of confronting resurgent anti Semitism in the US the enduring legacy of regional warfare in the land of Israel since biblical times how the entitled behavior of certain ultra Orthodox communities can fuel anti Semitic attitudes Jewish support of the civil rights movement greedy Jewish businessmen who reinforce negative ethnic stereotypes the excesses of golden ghetto American Jews the appeal of tough Israeli Jewish soldiers and mercenaries how real estate fortunes are made and the consequences of political corruption that feed into an exploitive system how obsession can lead good people to do bad things The stories in this collection include many teachable moments about the history of prejudice and the contradictions of ethnic identity and assimilation into American society Board of Trade Journal of Tariff and Trade Notices and Miscellaneous
