## 248 Mgs A Panic Picnic:

**248 Mgs., a Panic Picnic** Susan Landers, 2003 Poetry This book explores the emotional and socio political lives of a cast of characters based on autobiography but devised by sound The book's claustrophobic tercets combined with spiraling repetition help foreground the importance of artifice and code the very elements the book's characters undermine complicate and expose The code is a score To sound out the story The book was inspired in part by the author reading Jack Spicer I was excited by the serial poem as a form as well as the idea that there is no such thing as a single poem This was me not stopping This is a daring and contemporary voice that speaks of pills guns and of shame The story is captivating the echoes of recurring themes and stanzas are haunting this book is a blast Anne Tardos [Rain Taxi Review of Books](#) ,2004

*Deathstar/rico -chet* Padcha Tuntha-obas, Judith Goldman, 2006 Poetry Asian American Studies Few things have changed the terrain of US literature in recent years as much as the global spread of English The question that haunts much of this literature is less what it means to be an American and more what it means to suddenly be forced to be in dialogue with and in English like it or not Thai writer Padcha Tuntha-obas wrote TRESPASSES while she was living in the U S for several years And she takes up in this beautiful collection of poems what it means to be a Thai writer but one suddenly writing in English what it means to be writing within the U S but not as an American what it means to be caught in a difficult embrace with what is foreign Juliana Spahr Tuntha-obas chapbook COMPOSITE DIPLOMACY Tinfish Press is also available from SPD

*War and Peace 3* Judith Goldman, Leslie Scalapino, 2007 Poetry Borrowing Tolstoy's title and basing the anthology's manifestation of War and Peace on the conception that everything goes on in war and peace the editors Judith Goldman and Leslie Scalapino have gathered forty poets on the theme of The Future The future arises with at the same time as history and the present Included in the forty are Lyn Hejinian Fanny Howe Lisa Jarnot Bruce Andrews Rodrigo Toscano Anselm Hollo Paolo Javier Laynie Browne Anne Waldman Jen Hofer and many more It is taking centuries to understand why our future will be perfect There is still time We can still be useful to each other Lynn Xu *Lilyfoil + 3* Elizabeth Treadwell, 2004 Poetry In her recent books Elizabeth Treadwell has been pushing hard against language to get to a deeper and often overlooked musicality in our world In LILYFOIL 3 she arrives at a musicality that is feminist and angular that is Gertrude Stein and Mina Loy that is pointed and luminous that is in short LILYFOIL not lily flower Juliana Spahr LILYFOIL is a biography To talk about it with any grace we must recognize the seduction of sentiment and the way that definition will suffocate It is a tenuous line that Elizabeth Treadwell walks And memories here don't have their own particular values but one shared value which is neither good nor bad Nothing can plague a person in this state It can only tease them and lure them Which is where LILYFOIL leaves you Sarah Anne Cox Treadwell's imploded psychological narratives sally through various planes of reference and anti-reference suggesting the distracted thoughts of a mind buying heaven one piece at a time like yards
