## 25 Tough Questions About Women And The Church:

**The Truth Sets Women Free** J. Lee Grady, 2014-10-07 Is it scriptural for a woman to be a pastor What should the response be to an abusive relationship Is it OK for a woman to work outside the home Go ahead ask the tough questions Although women in the United States have civil freedoms equal rights in the workplace and the full protection of law many church leaders continue to quench the fire that burns in our sisters We deny them equal rights to participate in the life of the church and we slam the door on opportunities for leadership In *Women and the Church* Grady takes these attitudes to task providing answers from God's Word that will set women free This is not a safe Christian book that tells women to sit quietly and obediently in the back of the church For far too long the church has prevented women from answering God's call on their lives It's time for a change I will not be satisfied until the church repents for its gender prejudice and then fully releases women to obey the call of God on their lives J Lee Grady [Encyclopedia of Christianity in the United States](#) George Thomas
