Self-help for Zombies Carlos Gonzalez, Desiree Stapleton de Gonzalez, Why to read this ridiculous book Well in the first place maybe you are a zombie seeking for help How does it feel to be a zombie You have some things that can't go out of your chest You keep looking around frustrated asking yourself why the rest of the world moves so fast and so fluently and why you can't do it at the same speed You feel something isn't working as supposed and you don't know how to stop it Sometimes you just can breathe and hope everything gets better You are hungry for something in life but you aren't sure what it is Your steps get shorter every time You don't have energy for anything and motivation disappears Do you feel me Well I have some news for you You are not a human anymore Now you are a zombie Are you worried Is it bad We all are worried about not being as some other people are but being a zombie isn't bad at all Why A zombie doesn't have anything else to lose Just as you and me Hard isn't it Becoming a zombie doesn't mean you don't have anything to win in this world It doesn't mean you are going to be back to what you used to be If you try to do it then you are going to be frustrated and feel guilty because you are not a human anymore Continue reading you are interested in it How do I know it Because I have been where you are at this precise moment Sometimes I go back to it if I'm not paying attention Open your beautiful zombie eyes and show me that zombie smile Yeah That's better To become a happy zombie needs three principal things Identify yourself as a zombie accept

the sadness it makes us feel and learn about good points a zombie has for you Yes that s right Becoming a zombie has more good points than bad points Let me show you The zombies are unstoppable A lot of times we saw broken legs zombies missing the arms or damaged to the point you would not be able to continue anymore Yes you and I are like them Tired of being beaten by life You know how to keep doing it with everything against you I admire you The best thing about being unstoppable is that you will never stop Being unstoppable means you can t be defeated Have you ever imagined being undefeatable What would you do if you weren t able to fail The zombies are all in Yes Never ever in the world I have met a zombie who almost tried to get food They just go for it and don t let you go at any chance They never ever consider not to reach the goal They are not scared at all Teeth and claws are used and get the human yes or yes The alive one is really scared but zombies never are Believe me if you could see a zombie some inches from your face trying to eat you then you would understand your potential inside of you Now you can use it to conquer the world one bite at a time The zombies do it with what they have One time I heard somebody say Humans suffer what is called paralysis by analysis It sounds logical for humans The zombies like you and me act no matter if they are ready or not What is a Winner Mindset It s the strength that makes you win the game before you play it Think about the people who are in the Olympics The Olympics are every 4 years that means they prepare to win every day for those years I m gonna ask you something How long did you prepare to win your game I m going to talk about myself I didn t prepare for the game for years The good thing is that it s never too late If your heart works and you keep breathing then you can prepare yourself for the game How does it look to prepare for the game
