### **3 Priorities For A Strong Local Church:**

**Three Priorities for a Strong Local Church** Ray Ortlund, 2004-07-21 What is the secret of a vital growing church The answer Dr Ortlund suggests in this book is deceptively simple and life changing In thirty years of working with churches big and small he has come to believe that the church comes closest to being what God intended when it structures itself around three priorities Priority One Christ Priority Two The Body of Christ Priority Three The World And he draws on wide reading extensive Bible Study and years of personal experience to show how rediscovering and using these three priorities can make a tangible difference in the life of any church Three Priorities for a Strong and Local Church is a must reading for ministers but also for church staffers vestry elders counselors teachers small group leaders anyone who cares deeply about the church of Jesus Christ and what it can be *Three Priorities for a Strong Local Church* Raymond C. Ortlund, 1988-02 What are the secrets for a vital growing Christian community *Purification of Memory* Ambrose Mong, 2015-06-25 Although its various bodies boast a combined total of at least 300 million members the Eastern Orthodox Church is widely perceived among members of other denominations to be an exotic branch of the faith often shrouded in mysticism and misunderstanding that has been exacerbated by the longstanding Eastern Western split In *Purification of Memory* Ambrose Mong casts light on the true nature of Orthodox theology illuminating the thinking of eight distinguished modern Orthodox theologians who have made important contributions on topics as ecclesiology ecumenism Christology and Mariology Approaching the work of John Meyendorff Nicholas Afanasiev John Zizioulas Georges Florovsky Sergius Bulgakov Vladimir Lossky Nicolas Berdyaev and Jaroslav Pelikan from an ecumenical standpoint Mong deftly draws comparisons with the theology of their Roman Catholic counterparts to reveal points on which the two traditions have much more in common than either side will always admit The author interweaves these comparisons with a fascinating exposition of the history of the schism between the Eastern and Western Churches to demonstrate decisively that in spite of the bitter mistrust dividing them they share a common heritage which could and should serve as a basis for reunification Before old wounds can mend however a healing process of forgetting characterized by Pope John Paul II as a purification of memory must take place to clear the path towards a long awaited return to unity **Toward a Twenty-First Century Biblical, Apostolic Church** SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4 11 13 as well as C Peter Wagner s conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner s concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial

practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church
