THE
DISAPPEARANCE

The background of the cover is a dark, moody photograph. It appears to be a close-up of a person's face, mostly in shadow. A bright light source, possibly a camera flash or a light source in the scene, is positioned in the lower center, creating a prominent lens flare that illuminates the bottom part of the face and the surrounding area. The overall color palette is dominated by deep blues and blacks, with the golden text providing a sharp contrast.
