Native Speakers María Eugenia Cotera, 2008-12-01 In the early twentieth century three women of color helped shape a new world of ethnographic discovery Ella Cara Deloria a Sioux woman from South Dakota Zora Neale Hurston an African American woman from Florida and Jovita González a Mexican American woman from the Texas borderlands achieved renown in the fields of folklore studies anthropology and ethno linguistics during the 1920s and 1930s While all three collaborated with leading male intellectuals in these disciplines to produce innovative ethnographic accounts of their own communities they also turned away from ethnographic meaning making at key points in their careers and explored the realm of storytelling through vivid mixed genre novels centred on the lives of women In this book Cotera offers an intellectual history situated in the borderlands between conventional accounts of anthropology women s history and African American Mexican American and Native American intellectual genealogies At its core is also a meditation on what it means to draw three women from disparate though nevertheless interconnected histories of marginalization into conversation with one another Can such a conversation reveal a shared history that has been erased due to institutional racism sexism and simple neglect Is there a mode of comparative reading that can explore their points of connection even as it remains attentive to their differences These are the questions at the core of this book which offers not only a corrective history centred on the lives of women of colour intellectuals but also a methodology for comparative analysis shaped by their visions of the world

Foreign Relations Donna R. Gabaccia, 2015-01-04 A new history exploring U S immigration in global context Histories investigating U S immigration have often portrayed America as a domestic melting pot merging together those who arrive on its shores Yet this is not a truly accurate depiction of the nation s complex connections to immigration Offering a brand new global history of the subject *Foreign Relations* takes a comprehensive look at the links between American immigration and U S foreign relations Donna Gabaccia examines America s relationship to immigration and its debates through the prism of the nation s changing foreign policy over the past two centuries She shows that immigrants were not isolationists who cut ties to their countries of origin or their families Instead their relations to America were often in flux and dependent on government policies of the time An innovative history of U S immigration *Foreign Relations* casts a fresh eye on a compelling and controversial topic
