opinions continue to have considerable influence on the professional land surveying community and the legal community. Many of the papers contained in *The Curt Brown Chronicles* have not been released since their original publication in the 1950s and 1960s. Nevertheless, the subjects are still germane and in many ways Curt's focus on many subjects was prescient. Mr. Brown's articles on Land Surveyors' Liability to Unwritten Rights, Land Surveyors' Ethics, and The Professional Status of Land Surveyors are still considered relevant and are held in as high a regard as is Justice Thomas Cooley's Chief Justice Supreme Court of Michigan 1864-1885 famous article *The Judicial Functions of Surveyors*. *The Curt Brown Chronicles* has been compiled with the consent and permission of ACSM and the Brown family. **Surveying and Mapping**, 1957
