

2000 245 1944--

The order was issued that each company was to carry out night attacks. Sgt. L. Tammaguchi went to work with Lt. Col. Tammaguchi, Lt. Col. Otsu and the platoon sergeant and Farwell among themselves and waited the commencement of the attacks. The men waited patiently outside due to severe winds. The Sgt. and the platoon sergeant and Farwell and promised to meet at the Tammaguchi Shrine after dark. I with Sgt. L. Tammaguchi was always on top the ground section and was very happy. At last under the command of Capt. Tammaguchi, the companies will commence night attacks. As the units commenced movements, communications between the units could not be taken.

2000 245 1944--

Received artillery barrage during the morning and took cover among the rocks. As each platoon approached nearer and nearer, I closed my eyes and waited. Rifle reports and tank's engine sounds and everybody took cover either in the forest and waited for the enemy to approach. Soon the noise of the enemy could be heard and machine gun bullets could be heard over our heads. I thought this was the end, was ready to charge with a hand grenade when ordered to take cover by the Capt. when I looked from the side of the rock, I could see the helmeted heads of the enemy standing in the wall. With a terrific report, the rock in front of my eyes exploded and the Sgt. that joined us last night was killed. Also the corporal received wounds in the left thigh. However, I could not break the ranks even though I wanted to. Everybody hugged the ground and kept quiet, waiting for the opening in the enemy. As I stood up to get the rifle from one of the dead, a bullet hit between my legs and I thought sure I was hit but after glancing down to my happiness nothing was wrong. A cough was heard and as I looked back I saw my friend corporal hit lying on his back with a bullet in his head. "Oh God! He who has been in my ranks will also die," After flames covered fire, the enemy was ordered to approach the body of the one who had a bullet hole through his left temple with his eyes half closed and lips tightly clenched. "I'll take his rifle." Tammaguchi's rifle which was slung on his back was taken away. "Water for the enemy to attack." Sgt. Tammaguchi also had wounds in both of his legs. Pathetically he was saying "Please kill me." so Lt. Tammaguchi beautifully cut his head off. The Sgt. pleaded before being cut, to the Lt. "Please cut skillfully." The Lt. with sword pointing down his head, took one stroke, two strokes, and on the third stroke, he cut his head off. The rifle reports subsided. Soon, however, reports commenced roaring in the frontal area. I pocketed the small written by Sgt. L. as a Farwell gift and told Farwell to his spirit. I grabbed Sgt. Otsu's hand and he stated pathetically that he will commit suicide tomorrow evening. Soon by walking the path, commenced movement to join the friendly troops by opening a bloody path. However, because of fire enemy security measures, this could not be carried out. This friendly force was a terrible unit which we were supposed to meet near Mt. Tammaguchi. Soon a terrific rain started and everybody got drenched.

2000 245 1944--

While sheltering from the intense rains to move were issued. Facing the dawn of the north, bowing reverently to the Imperial palace and bidding Farwell to the parents, wife, and wife, I solemnly pledged to do my utmost with Sgt. Tammaguchi and Sgt. Tammaguchi departed from the rocks and went out of the forest. It is regretful that we departed from Mt. Tammaguchi because we promised that the place of death would be the same. Between the enemy artillery bombardment approached the cliffs of day before yesterday where we received the artillery barrage. We tried to reach the ~~cliffs~~ shore but could not because of the cliffs. The enemy is surrounding us in all directions. Helplessly we took cover in the brush. At the break of dawn, enemy activity
