Larson, 1967 **Instructor's Manual for the Borzoi College Reader, Second Edition** Charles Muscatine, Marlene Griffith, 1971 *Instructor's Manual for Borzoi College Reader*, 1976 Political Literacy in Composition and Rhetoric Donald Lazere, 2015-07-20 In *Political Literacy in Composition and Rhetoric* Donald Lazere calls for revival of NCTE resolutions in the 1970s for teaching the critical reading listening viewing and thinking skills necessary to enable students to cope with the persuasive techniques in political statements advertising entertainment and news and explores the reasons these goals have been eclipsed in composition studies over recent decades Obstacles to those goals have included the emphasis in the profession on basic and first year writing at the expense of more advanced study in argumentative rhetoric and on the privileging of students personal writing over critical study of both academic and political discourse Lazere further argues that theorists who legitimately champion students pluralistic local communities sometimes fail to recognize that liberal education can enable students to grow beyond their home cultures to critical awareness of national and international politics Finally he argues that the fixation in recent composition studies on liberally inclined students and communities on the margins has eclipsed attention to the conservative conformity long prevalent in mainstream American society and education His proposals for curriculum and pedagogy seek to introduce students to a more highly informed cogent and open ended level of debate between the political left and right Junior College Journal Walter Crosby Eells, 1967 Includes Junior college directory formerly Directory of the junior college 1931 1945 *George Orwell* John Rodden, 2001-12-31 This study examines how George Orwell s legacy as a writer developed and the importance of his work both during and after his lifetime John Rodden seeks to bring Orwell s work into proper focus while providing insight into the phenomenon of literary fame *Blessed Are the Peacemakers* S. Jonathan Bass, 2021-03-03 Martin Luther King Jr s Letter from Birmingham Jail is arguably the most important written document of the

civil rights protest era and a widely read modern literary classic Personally addressed to eight white Birmingham clergy who sought to avoid violence by publicly discouraging King s civil rights demonstrations in Birmingham the nationally published Letter captured the essence of the struggle for racial equality and provided a blistering critique of the gradualist approach to racial justice It soon became part of American folklore and the image of King penning his epistle from a prison cell remains among the most moving of the era Yet as S Jonathan Bass explains in the first comprehensive history of King s Letter this image and the piece s literary appeal conceal a much more complex tale This updated edition of Blessed Are the Peacemakers includes a new foreword by Paul Harvey a new afterword by James C Cobb and a new epilogue by the author
