## **Diary 1901 1969:**

**Diary, 1901-1969** Kornei Chukovsky, 2008-10-01 A perceptive literary critic a world famous writer of witty and playful verses for children a leading authority on children's linguistic creativity and a highly skilled translator Kornei Chukovsky was a complete man of letters As benefactor to many writers including Alexander Solzhenitsyn and Joseph Brodsky he stood for several decades at the center of the Russian literary milieu It is no exaggeration to claim that Chukovsky knew everyone involved in shaping the course of twentieth century Russian literature His voluminous diary here translated into English for the first time begins in prerevolutionary Russia and spans nearly the entire Soviet era It is the candid commentary of a brilliant observer who documents fifty years of Soviet literary activity and the personal predicament of the writer under a totalitarian regime From descriptions of friendship with such major literary figures as Anna Akhmatova and Isaac Babel to accounts of the struggle with obtuse and hostile censorship from the heartbreaking story of the death of the daughter who had inspired so many stories to candid political statements the extraordinary diary of Kornei Chukovsky is a unique account of the twentieth century Russian experience

**The Soviet Invasion of Czechoslovakia in 1968** Josef Pazderka, 2019-07-23 The edited collection is the first attempt to take a more coherent look at the Russian perception of the Prague Spring and the Warsaw Pact occupation of Czechoslovakia in August 1968 The publication is therefore a collection of interviews memoirs and academic studies focusing on Russian soldiers dissidents and journalists involved in and affected by the Soviet invasion The book begins with a focus on the Soviet soldiers who came to Czechoslovakia It depicts their inner world and the mighty machinery of the Soviet propaganda to which they were exposed The Archive supplement offers a fresh look at the role of KGB and the Soviet embassy in the Czechoslovak events of August 1968 by Russian historians Nikita Petrov and Olga Pavlenko The second part presents the Soviet journalists living in Prague in 1968 who supported the Prague Spring and subsequently paid for their stance by being deported and losing their job The last part of the book focuses on the kinship that the Soviet liberal intelligentsia and dissident movement which emerged while Leonid Brezhnev was tightening the screws in the USSR in late 1960s felt toward events in Prague which for them represented one of the last hopes for change It begins with the study of the Czech researcher Tomas Glanc exploring the different reactions on Prague Spring and August 1968 invasion among the Soviet intelligentsia Interviews with former Soviet dissidents Lyudmila Alexeeva and Natalia Gorbanevskaya follow As a supplement the diary of the ordinary Soviet citizen Elvira Filipovich is included

**To the Success of Our Hopeless Cause** Benjamin Nathans, 2024-08-13 In the 1960s the Soviet Union found itself unexpectedly challenged from within by a cohort of dissidents who eventually achieved global fame Their struggle for the rule of law and human rights made them instant heroes in the West where they appeared as democracy's surrogate soldiers behind the iron curtain But as historian Benjamin Nathans argues theirs was a homegrown phenomenon activists built the anti totalitarian movement on fundamental concepts from within the communist pantheon And their goal was not to topple the Soviet state a

feat they could scarcely imagine but to exercise a kind of containment of Soviet power from within Still the movement was in many ways improbable a half century after Lenin launched the world's first socialist society and a generation after Stalin liquidated millions of enemies of the people there was not supposed to be any internal opposition left What kind of people became dissidents and how were they able to invent new techniques of social activism eventually forming the socialist world's first civil and human rights movement To the Success of Our Hopeless Cause a title borrowed from the dissidents favorite toast pronounced with glasses raised in countless apartments across the USSR's eleven time zones tells the story of the people and the ideas that made the movement Weaving together KGB interrogation and surveillance records with diaries letters and an extraordinary number of memoirs Nathans explains how a movement grew from a chain reaction of individual acts of resistance He explains its origins in the counterintuitive idea of civil obedience the conviction that human rights could be achieved if only the Soviet regime followed its own constitution and that citizens had to act as if the constitution was the law of the land in the absence of compliance within the governing class Nathans constructs in detail the lives and struggles of numerous dissidents including Andrei Sakharov Anatoly Natan Sharansky and Alexander Volpin He describes the many show trials of activists the extra legal tactics of the KGB's Fifth Directorate the international networks of activism and journalism that fueled the movement at key moments and the gradual incorporation of dissident ideals into mainstream Soviet political culture This book offers a definitive history of the group of dissenters who worked from within the Soviet system against the post Stalinist regime bringing to life the stories of drama conflict tangled relationships personal sacrifice and extraordinary devotion to a seemingly impossible cause
