team has found the process of refereeing and reviewing the contributions worthwhile and completing the volume has proven

disciplines As a result the whole institute preparing for it attending it and editing the proceedings proved to be an intense
learning experience for us Here I speak on behalf of the committee and the editorial team By the time the institute took place
the papers were delivered and the delegates exchanged their views the structure of the topics covered and their relative
positioning appeared in a different light In editing the volume I felt compelled to introduce a new structure in grouping the
