answers Those mysteries continue and those finds are becoming more and more suspect To make matters worse there are those who are renegades from some unsuccessful landings and have been trying for centuries to undo and collect what the others have used to help our world and all its people to move forward There are factions trying to collapse this mixed population expose it and use any means to do so even to the detriment of the entire planet and all living things here He and his family as well as many others are now in danger as long as they cannot find the ones responsible for attempts to undo all the good and bring disasters to the entire earth The danger rises to the highest ranks of government everywhere and all living standards in every culture It could all fall apart in an instant Or it could bring out the best in all mankind
