- Begin your summer journal by making a list of three goals that you have for yourself this summer. Why have you chosen these goals? What will you do to accomplish them?
- Write about the most recent trip to the zoo that you took with your family. What was your favorite animal? Now, write about what you would do if you had to take care of that animal all day at the zoo. Write a poem about the perfect summer day.
- Describe your dream vacation. Where do you want to go? What do you want to do once you get there?
- How late do you think you should be able to stay up during the summer months? Write a persuasive essay to your parents to try to convince them to change your bedtime.
