Codependent Church:

The Codependent Church Virginia Hoffman, 1991 *The Dysfunctional Church* Michael H. Crosby, 2011-04-01 Reduced to its simplest form The Dysfunctional Church maintains that The Catholic church is an addict an institutional addict It s addicted to preserving the male celibate clerical model of the church Many Catholics exhibit patterns of classic codependency which reinforce this addiction The result is a dysfunctional church unable to confront a problem many members know is there Michael Crosby breaks the silence to talk openly about the abuse of authority in the Catholic church He does this in a way that offers comfort hope and challenge to the frustrated but caring members of its family He traces the historical gathering of powers by the hierarchy into its own hands and its ramification for today Applying the approach that Matthew s Jesus took to the church leaders of his day Crosby brings the discerning light of scripture into the dark corners of growing addiction The Dysfunctional Church is a clear loving and unequivocal intervention The author calls on church leaders and all other codependents in the church to face their addiction and seek recovery through spiritual conversion Acknowledging that he himself is a recovering codependent he invites us all to turn to God to fill the hole in our wholeness This involves coming under the authority of a higher power as well as finding support in prophetic communities modeled on the Twelve Steps For those who left the church in anger Crosby s analysis invites compassion for those who remain in frustration it offers hope and for the many who feel condemned to the church s use of authority if offers a way of recovery

Escape from Codependent Christianity James Richardson, 2004-03-01 Many Christians are painfully codependent and never get free A codependent lifestyle is a miserable fearful life From never feeling secure to the need to always be in control the extremes of codependency fuel the chaos and pain in our lives In *Escape from Codependent Christianity* Dr James B Richards examines this common phenomenon in light of the truth of Scripture Codependency is not complicated It involves depending upon others for what we have no right to expect from them Codependents often fall into the trap of living on other people s approval for their own sense of self worth They may depend on others for decisions or happiness No matter what the needs are the key to codependency involves trying to get from others what people cannot truly give **Codependent**

Discipleship Nick Galieti, Jennifer Roach, 2021-03-22 *Codependent Discipleship* is an exploration of the intersection of Codependency and Christian Discipleship Written from the framework of experiences and scriptures from The Church of Jesus Christ of Latter day Saints this insightful and empowering text is helpful for those struggling or for those ministering to those in need Many people today express feelings of being overwhelmed or taxed beyond their abilities A growing voice of discontent and victimization seems to underscore the discourse on social media and reports by news outlets The intense and sometimes all consuming demands of modern society include worries of economics employment friendships family relationships and responsibilities moral responses to injustices church and community obligations and even conflicts centered around government and politics Modern scriptures record a description of this type of society saying And all things

shall be in commotion and surely men's hearts shall fail them for fear shall come upon all people This scripture describes an emotional or mental health pandemic in these last days For years many have felt the symptoms but didn't know how to diagnose what those symptoms indicated We have also come to find ways that this disease has uniquely impacted members of The Church of Jesus Christ of Latter-day Saints
