The Poems of Seamus Heaney Seamus Heaney,2025-11-18 This definitive collection of Seamus Heaney's poetry published in a single volume for the first time gives us the full arc of the Nobel laureate's long and varied career. Seamus Heaney's voice is like no other by turns mythological and journalistic, rural and sophisticated, reminiscent and impatient, stern and yielding, curt and expansive. Helen Vendler, *The New Yorker*. Published in a single volume for the first time, the collected poems of Heaney is a testament to that unforgettable voice and to the breadth and beauty of the Nobel laureate's long and brilliant career from his first book *Death of a Naturalist* 1966 to poems written for *Human Chain* 2010, his twelfth and final book. Poetry & Money Peter Robinson,2020-09-04 *Poetry Money: A Speculation* is a study of relationships between poets, poetry and money from Chaucer to contemporary times. It begins by showing how trust is essential to the creation of value in human exchange and how money can depend on conditions both enable and disable such trustfully collaborative generations of value. Drawing upon a vast range of poetry for its exemplifications, the book includes studies of poetic hardship, religious verse and debt, redeeming the South Sea Bubble and the economic revolution, debates over metallic and paper currency in the eighteenth and nineteenth centuries as well as modernist struggles with the gold standard, depression, inflation and the realised groundlessness of exchange value. With its practitioner's attention to the minutiae of poetic technique, it considers analogies between words and coins and between poetic rhythm and the circulation of currencies in an economy. Through its close readings of poems over many centuries, directly or indirectly engaged with money, it proposes ways in which, while we cannot escape monetary economies, we can resist to some extent being ensnared and diminished by them through a fresh understanding of values money may serve to enable but ones which are nevertheless beyond price.
