**Cold War Rivalry and the Perception of the American West** P. Goral, 2014-03-07 This book demonstrates how the two adversaries of the Cold War West Germany and East Germany endeavored to create two distinct and unique German identities In their endeavor to claim legitimacy the German cinematic representation of the American West became an important cultural weapon of mass dissemination during the Cold War **James Mason** Sheridan Morley, 1989 A revealing and critical biography of James Mason the stage and screen actor whose 50 year career spanned the golden age of Hollywood 40 halftones *A Day at the Zoo* Grosset & Dunlap, 2004 The Wiggles spend time together at the zoo enjoying the antics of the animals *The Cold War and Entertainment Television* Lori Maguire, 2016-08-17 An essential dimension of the Cold War took place in the realm of ideas and culture While much work exists on cinema relatively little research has been conducted on this subject in relation to television despite the latter being a technology and popular cultural form that emerged during this period This book rectifies that absence by examining the impact of the Cold War on entertainment television and underlines the comparative aspect by studying programs from both blocs without forgetting of course the outsize impact of American television Although most of the focus is on the two main protagonists the US and the USSR chapters also consider programming from the UK Czechoslovakia Romania and both East and West Germany This book represents a contribution to the debate about the cultural Cold War through a rigorously comparative analysis of the two blocs For this reason the approach used is thematic The study begins by considering the subject of censorship and then goes on to look at the very particular case of the two Germanys A series of comparative genre studies follow including police and war variety shows and documentaries and docudramas Perhaps surprisingly the similarities are often greater than the differences between television in the two blocs **Who's who in Australia**, 2007 **Spaghetti Westerns** Thomas Weisser, 1992 Spaghetti Westerns mostly produced in Italy or by Italians but made throughout Europe were bleaker rougher grittier imitations of Hollywood Westerns focusing on heroes only slightly less evil than the villains After a main filmography covering 558 Spaghetti Westerns another section provides filmographies of personnel actors and actresses directors musical composers scriptwriters cinematographers Appendices provide lists of the popular Django films and the Sartana films a listing of U S made Spaghetti Western lookalikes top ten and twenty lists and a list of the genre's worst **Media Review Digest C**
