K. Williams,2015-09-22 A selection from the last twenty years of C K Williams s career plus new work proof of his enduring power C K Williams s long career has been a catalog of surprises of inventions and reinventions of honors His one constant is a remarkable degree of flexibility a thrilling ability to shape shift that goes hand in hand with an essential enduring honesty This rare heady mix has ensured that William s verses have remained from book to book as fresh and vibrant as they were when he first burst onto the scene *Selected Later Poems* a generous selection of the last two decades of Williams s poetry capped by a gathering of new work is a testament to that enduring vibrancy Here are the passionate searching clear eyed explorations of empathy in *The Vigil* here is the candor and revelation of *Repair* here is the agonizing morality of *The Singing and Wait* and the unsparing reflections on aging of *Writers Writing Dying* here are the poignant prose vignettes of *All at Once* Williams s poetry is essential because its lyric beauty precise and revealing images and elegant digressions are coupled to a conscience both uneasy and unflinching *Selected Later Poems* is at once a celebration of Williams s career an affirmation of his continued position in the pantheon of American poets and a kind of reckoning a reminder of the ways in which art can serve both beauty and justice **Bursts of Light** William Bronk,2012 Poetry Edited by David Clippinger BURSTS OF LIGHT includes all of William Bronk s poetry written after LIFE SUPPORTS 1981 and approved by the author for book publication before his death in 1999 To these are added the sheaf of poems discovered later and published as *Metaphor of Trees* and *Last Poems* A brilliant poetry George Oppen His rare gift is the ability to float difficult truths on fleeting snatches of spoken breath *Village Voice Literary Supplement* *The Collected Poems of Williams* Carlos Williams William Carlos Williams,2015-02-19 Considered by many to be the most characteristically American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams radical simplicity all of

his published poetry excluding Paterson was reissued in two definite volumes of which this is the first The Lost Works of William Carlos Williams Robert Cirasa, 1996 In each Williams took as the basic element or constituent sections of these two large scale literary structures the tacit lyrical sequences that had constituted his originally separate volumes of verse also added new groupings as he made changes to the old and fashioned them all into a unique series of lyrical sequence a lyrical super sequence that gave unified lyrical definition and compelling lyrical immediacy to the whole of his poetic development

Householders Tara McDowell, 2019-10-01 How the poet Robert Duncan and the artist Jess made the household part of their separate and collaborative creative practice I'm a householder the poet Robert Duncan once explained My whole idea of being able to work was to have a household In this book Tara McDowell examines the household physical and conceptual that Duncan established with the artist Jess beginning in 1951 when the two men exchanged marriage vows and ending with Duncan's death in 1988 For Duncan and Jess the household rather than the studio gallery or collective provided the support structure for their art Indeed McDowell argues convincingly their work was coextensive with their household The material surroundings of their house in San Francisco and the daily rhythms of their domestic lives became part of their creative practice Duncan wrote poetry that is romantic ornate and obscure Jess born Burgess Franklin Collins created multi imaged complex collages and assemblages McDowell explores their life and work reading Duncan and Jess with and against each other in alignment and misalignment She examines their illustrated book *Caesar's Gate* a collaborative effort that led them to reject collaboration considers each man's lifelong preoccupation with an unfinished project Jess's *Narkissos* and Duncan's *The H D Book* and discusses their origin myths and self made genealogies describing them as a form of witness in the face of the calamities of the twentieth century Duncan and Jess made the household a necessary precondition for their art making Doing so they reclaimed and rehabilitated the domestic from which gay couples were traditionally excluded for their own uses The household permitted them to reimagine the world McDowell's portrait of a couple expands to encompass broader issues urgent in midcentury America and still resonant today belonging and kinship alienation and catastrophe **The**
