Coldhearted Lady:

Dolls are People Too Evert Jan Steen, Graham Herbert, 2005 **Cold Hearted-Villains, Book 8** Serena Valentino, 2021-07-06 This was supposed to be her happily ever after It s a familiar tale A kind and beautiful young girl reeling from loss A doting father frantic to bring a mother s love back into his daughter s life And the selfish cruel woman who insinuates herself into that family a woman so unfeeling so cold hearted that when her new husband dies she makes the girl a servant in her own home But who is that evil stepmother that icy lady of the house How did she become so closed off that in the face of a child s grief she thought only to seek wealth and power for herself and her abhorrent daughters Before that fateful ball before the glass slipper and the prince there was another story a story of love and grief of hope and of dreams dashed It is the story of Lady Tremaine Even the coldest of villains are sometimes wives and mothers women who loved and lost and hoped for something grander for their lives once upon a dream The latest novel in Serena Valentino s deliciously devious Villains series introduces the most famed and hated wicked stepmother of them all but turns everything you know about her on its head [Catalog of Copyright Entries](#) Library of Congress. Garbol, 2009-12-29 In the fabulous surroundings of the sacred city of Christianity and Islam Constantinople or Istanbul a young innocent but desperate housewife of striking beauty gradually becomes entangled in a web of a glamorous career in fashion modeling trusting the promises of a unscrupulous filthy rich Jewish patroness for a rapid financial advancement and a luxurious lifestyle However soon enough the two roles undergo a profound transformation as the patroness motives prove to be much more subtle and noble than simply turning a pretty woman into a pin up girl or possibly an aristocratic call girl while the innocent victim s secret intentions are much more hideous than simply starting a lucrative career in fashion or artistic photography might imply In fact after an unexpected and mysterious death it becomes even vaguer if this tragic event is just an accident or a well orchestrated assassination by a blackmailed victim Incidentally two retired military officers from the EU who are visiting Istanbul as tourists investigating mysterious historic events as archeological amateur detectives get also involved in this enigmatic affair as they discern several fuzzy coincidences relating this untimely death with the accidental demise of a past Ottoman Sultan many centuries ago The fog over Istanbul gradually thickens as progressively more unscrupulous people intentionally or unwillingly get involved in the conspiracy motivated by a great variety of unclear and possibly conflicting intentions This significant increase in the number of participants is promptly followed by another assassination attempt that nearly misses its target In the ensuing chaos where fanatical competitors become momentarily trusted allies practically all the participants lose their bearings driven only by the urge to prevail when the fog is finally dispersed Only the hideous murderer knows exactly what must be done because his or her aims are the most clearly defined P S Garbol *Ladies Errant* Deanna Shemek, 1998 The issue of a woman s place and the possibility that she might stray from it was one of early modern Italy s most persistent social concerns Deanna Shemek presents the problem of

Silent Voices Brenda Ayres,2003-04-30 Some of the greatest English novels were written during the Victorian era and many are still widely read and taught today But many others written during that period have been neglected by scholars and modern readers alike A number of these novels were written by women and were popular when published Moreover they reveal perspectives of 19th century British culture not present in canonized works and therefore revise our understanding of Victorian life and attitudes With the increasing interest in revising Victorian history and gender scholarship especially through the rediscovery of lost texts written by women this book is a timely and much needed study The expert contributors to this volume argue the value of novels by such Victorian women writers as Grace Aguilar Catherine Crowe Charlotte Elizabeth Tonna Annie E Holdsworth Ella Hepworth Dixon Flora Annie Steel Anne Thackeray Sarah Grand Marie Corelli and others Most of the chapters address numerous works by a particular writer Each focuses on different social issues as well though most of them share an interest in gender politics Topics discussed include a 19th century Jewish novelist s navigation through Protestant spirituality the relationship of noncanonical governess novels to class and gender issues and forgotten works by women crime writers Other chapters analyze how women writers impelled social reform and subverted patriarchally defined religious issues
