## **Business Strategy Game Players Package:**

**Business Strategy Game Player's Package V7.20.** Arthur A. Thompson, Gregory J. Stappenbeck, 2002-03 The Business Strategy Game is the 1 selling computer simulation in the strategic management market. It is the single best exercise available for helping students understand how the functional pieces of a business fit together and for providing students with a capstone experience in decision making. The exercise of running a simulated company in a competitive market setting helps students develop better decision making judgment and improves their skills in evaluating market and competitive conditions and responding to changes that are occurring. The BSG helps students learn from working with the numbers exploring options and trying to unite production, marketing, finance, and human resource decisions into a coherent strategy.
