Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations) Thomas Aquinas, 2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man s reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin

or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory

Who Created God? Thomas Shine,2011 This book contains 101 questions that every Christian should know but never thought to ask from who created God to what happens if someone lives in a remote region that has never heard about God and why can t we have multiple wives when people in the Old Testament did Other questions answered in this book Why is there suffering What is wrong with drugs Why would God let someone be mentally or physically challenged How did people live so long in the Bible Are there Aliens from Outer space Are Angels real

And Man Created God George Carl Mynchenberg,1999-12-19 And MAN CREATED GOD presents the Agnostic view point using science history and logic while denying all religious belief and faith in revelations from a Creator or God Reviews And MAN CREATED GOD is vigorous and clearly written Readers should have no doubt about the position you take the positions you challenge and why you find religious beliefs doubtful It articulates very well what you call the agnostic position Charles F Kielkopf Professor of Philosophy Ohio State University

If Atheists Created God Andrew Mytaf,2024-12-21 What kind of God would atheists create if tasked with envisioning a deity rooted entirely in logic physical reality and intuitive morality If Atheists Created God explores this bold question by addressing humanity s core moral dilemmas and examining the key arguments in debates between atheists and Christians At its core the book seeks to derive a rational backup version of God a hypothetical model of a deity that even ardent sceptics and atheists might consider a plausible and acceptable alternative This carefully reasoned philosophical framework envisions a concept of God that would not only align with human understanding but also foster the progress of civilisation This book will appeal to critical thinkers philosophy enthusiasts and anyone seeking a rational approach to life s big questions The author s clear prose makes complex ideas accessible without sacrificing depth Prepare for an intellectual journey that challenges assumptions and expands minds offering a rare opportunity to engage with profound concepts in a truly rational manner Key topics explored include A fresh perspective on free will that resolves disputes between compatibilists and hard determinists An innovative approach to natural evil which is considered unsolvable A nuanced analysis of consciousness personal identity and the nature of the self A rational framework for understanding ethical dilemmas and moral decision making Thought provoking discussions on gender roles hierarchy and equality from evolutionary and philosophical viewpoints The arguments presented are unprecedented and promise to ignite global debates The author skilfully navigates complex terrain offering readers a chance to reconsider their worldviews through rigorous logic and evidence based reasoning By applying analytical philosophy to age old questions he illuminates pathways for reconciling humanistic understanding with existential inquiries
