The Butler Did It Kelly Tim,2021-01-20 This comedy parodies every English mystery play ever written but it has a decidedly American flair Miss Maple a dowager with a reputation for clever weekend parties invites a group of detective writers to eerie Ravenswood Manor on Turkey Island where they are to impersonate their fictional characters The hostess has arranged all sorts of amusing incidents a mysterious voice on the radio a menacing face at the window a mad killer on the loose Who is that body in the wine cellar anyway Why do little figurines keep toppling from the mantle Then a real murder takes place and Miss Maple is outraged She offers an immense reward to the detective who can bring the killer to justice And what an assortment of zany would be sleuths When they re not busy tripping over clues they trip over each other Laughs collide with thrills and the climax is a real seat grabber as the true killer is unmasked and almost everyone turns out to be someone else Can be played as a pure farce or as humorous satire
