## **Buying On Time:**

**Buying Time** Kazuyasu Makabe,2017-03-07 The failure of complex systems and the future of energy      **Buying Time and Getting By** Mary Grigsby,2012-02-01 Buying Time and Getting By provides a detailed account of the voluntary simplicity movement which took off in the United States in the late 1980s and early 1990s The concept of voluntary simplicity encompasses both self change aimed at bringing personal practice into alignment with ecological values and cultural change that rejects consumerist values and careerism While simple lives struggle with self change they work toward the broader goals of a sustainable global environment sustainable communities increased equality in access to resources and economies aimed at human quality of life rather than profit Author Mary Grigsby looks inside the movement at the daily lives of participants and includes their own accounts of their efforts She also uses reflexive empirical analysis to explore race class and gender in relation to the movement The influence of the dominant culture and institutionalized power in shaping the movement are balanced with the importance of participants dynamic identity work      *Saving Lives, Buying Time* Institute of Medicine,Board on Global Health,Committee on the Economics of Antimalarial Drugs,2004-10-09 For more than 50 years low cost antimalarial drugs silently saved millions of lives and cured billions of debilitating infections Today however these drugs no longer work against the deadliest form of malaria that exists throughout the world Malaria deaths in sub Saharan Africa currently just over one million per year are rising because of increased resistance to the old inexpensive drugs Although effective new drugs called artemisinins are available they are unaffordable for the majority of the affected population even at a cost of one dollar per course *Saving Lives Buying Time Economics of Malaria Drugs in an Age of Resistance* examines the history of malaria treatments provides an overview of the current drug crisis and offers recommendations on maximizing access to and effectiveness of antimalarial drugs The book finds that most people in endemic countries will not have access to currently effective combination treatments which should include an artemisinin without financing from the global community Without funding for effective treatment malaria mortality could double over the next 10 to 20 years and transmission will intensify      [Buying Time for Heritage](#) J. Myrick Howard,2023-10-03 What does it take to save endangered historic properties This practical guide builds on decades of historic preservation experience to provide readers with legal financial political and technical tools and strategies to be more effective preservationists Myrick Howard makes clear that large sums of money are not necessarily needed to save endangered historic properties but knowledge and passion are essential This book shows how preservation minded neighbors and organizations can succeed with only modest resources and rather than clash with developers can become developers themselves for community benefit Howard draws on case studies from forty five years of successful work leading Preservation North Carolina with lessons that are applicable coast to coast This richly illustrated fully revised and redesigned second edition includes detailed projects to renovate vacant houses in working class neighborhoods reflections on addressing racial equity through preservation an expanded section on using

preservation easements and summaries of revolving fund programs around the country Buying Time for Heritage is an indispensable resource for those looking to save the special places of our collective past
