**The Summer We Saved the Bees** Robin Stevenson,2015-09-08 For Wolf saving the planet means first saving his family from self inflicted disaster Wolf s mother is obsessed with saving the world s honeybees so it s not too surprising when she announces that she s taking her Save the Bees show on the road with the whole family Wolf thinks it s a terrible plan and not just because he ll have to wear a bee costume in public He likes his alternative school and hates the idea of missing weeks of classes His teenage stepsister doesn t want to leave her boyfriend and one of his little half sisters has stopped talking altogether but Wolf s mom doesn t seem to notice She s convinced that the world is doomed unless ordinary people take extraordinary action It isn t until the kids take some drastic action of their own that she is forced to listen when Wolf tells her that dragging the family around the province in a beat up Ford panel van may not be the best idea she ever had *Thank*

you as I sometimes do There are days when you are so beautiful and vivacious and alive we cannot believe that you are going to die Other days we are convinced you are at death s door and that this this is the day that we will lose you Now I bear witness to the disease that is eating you up alive ravaging your physical shell I look at your wasted body once so slim and graceful at the jaundiced pallor of your once perfect skin stretched tight around the still lovely bones of your face at the way shadows collect in the hollows around your eyes and your collarbones And very slowly inside me something small starts to crack A tiny fissure that spreads and widens before splitting open entirely to let something hot and liquid well up like molten lava threatening to spill out the sides of my mouth as rich and bitter and metallic as blood Is this then what heartbreak feels like *The Magic Circle* tells the story of what happens when Charmaine Chan s sister Elaine is diagnosed with a rare and aggressive cancer As the illness progresses family members living on different continents gather together during Elaine s last days Striving to distract Elaine from the worst effects of the cancer Charmaine takes to the pen conjuring up the vanished world of their childhood in Singapore and discovering a way to keep her promise to Elaine s six year old daughter A contemplation on grief and loss nostalgia and yearning *The Magic Circle* is for anyone who s been torn apart and put back again by the inexplicable power of memory **Books in Print** ,1987 *Bee Ready for School* Mark H.
