By Marriage Divided Lindsay Armstrong, 2011-01-17 The heiress bride and her rough tough husband Angus Keir a self made millionaire considers Domenica to be a social butterfly Her privileged background is in direct contrast to his own But their fortunes are reversed when he saves her family from bankruptcy And this tough Australian makes it clear that Domenica is in his debt Keir seems determined to keep Domenica at his side and gradually he discovers the passion behind her cool sophisticated exterior But they re worlds apart surely marriage between them is out of the question **The Tésawalamai; Or the Laws and Customs of the Malabars of Jaffna** Ceylon, 1891 **The Death of Herod** Richard K. Fenn, 1992-07-31 This 1992 work is intended to be a taster to sociological method for students of the New Testament Richard Fenn demonstrates how fruitful the relationship between the social sciences and biblical studies can be when sociological method is imaginatively applied to the New Testament Fenn s point of departure is the particular historical event of the death of Herod the Great He focuses on Josephus account of the trials of Herod s sons the death of Herod himself and the crisis of succession which followed his death Josephus account is shown to provide a rich sociological resource in that he observes how speech was used to conceal rather than to convey individuals true interests and commitments His account also reveals the failure of the trial as a critically important institution for restoring confidence in public discourse The result the author argues is the intensification of conflict within and between generations at every level of Palestinian society

Translation of a Digest of the Burmese Buddhist Law Concerning Inheritance and Marriage Manu, 1903 **The Evolution of Culture** Leslie A White, 2016-06-16 One of the major works of twentieth century anthropological theory written by one of the discipline s most important complex and controversial figures has not been in print for several years Now *Evolution of Culture* is again available in paperback allowing today s generation of anthropologists new access to Leslie White s crucial contribution to the theory of cultural evolution A new substantial introduction by Robert Carneiro and Burton J Brown assess White s historical importance and continuing influence in the discipline White is credited with reintroducing evolution in a way that had a profound impact on our understanding of the relationship between technology ecology and culture in the development of civilizations A materialist he was particularly concerned with societies ability to harness energy as an indicator of progress and his empirical analysis of this equation covers a vast historical span Fearlessly tackling the most fundamental questions of culture and society during the cold war White was frequently a lightning rod both inside and outside the academy His book will provoke equally potent debates today and is a key component of any course or reading list in anthropological or archaeological theory and cultural ecology [Advance Data from Vital & Health Statistics of the National Center for Health Statistics](#), 1976 *California.
