## **By Myself A Collection Of Poetic Reflections:**

**By Myself** Joanne M. Watson, 1982-11      **Reflections of Life: A Collection of Poems** Donald W. Grant, 2020-03-08  
Life has a way of reflecting back to us things we want to hear and those we don't. At times the reflections we get can be overwhelming. My hope is that these poems based on my reflections will make you pause, laugh, and hopefully think.      **Bits and Pieces of Me** Madhumita Sinha, 2021-07  
The collection of poetry is an eclectic mix of thoughts and emotions on love, loss, survival, heartbreak, and the journey of life one endeavours. A poetry is an echo asking a wave to sing, letting a rainbow splash colours and filling our hearts with joy and happiness. One doesn't need to be a poet to find solace in poetry always. Each one of us is a poet at heart with profound thoughts, deep emotions, and compassions. It's just that some call themselves the wordsmiths only because they pen their thoughts through their verses and bring them to the world where, as some just enjoy reading them, delving deeply with a smile on their faces. Read the poem to feel good and heal yourself.      **Finding Me** Kennedy Kihire, 2023-06-13  
Finding Me is a captivating and introspective poetry book that delves into the profound emotions and experiences of love, heartbreak, passion, and self-discovery. With a blend of heartfelt verses and vivid imagery, this collection takes readers on a poetic journey through various stages of love, from the innocence and nostalgia of first love to the bittersweet memories of lost connections and other heartwarming themes. The poems within Finding Me touch upon themes of longing, desire, and the complexities of human relationships. Each poem encapsulates a unique narrative, inviting readers to explore the depths of the poet's emotions and reflections. From the tender recollections of youthful infatuation to the raw portrayal of unrequited love, these verses evoke a wide range of sentiments that resonate with the reader's own experiences. Through lyrical and evocative language, the poet paints vivid portraits of love's joys, life, and sorrows, capturing both the sweetness and the pain that accompanies such intense emotions. From the dream-like imagery of midnight encounters to the poetic musings on the beauty of the natural world, each poem presents a captivating glimpse into the poet's innermost thoughts and feelings. Finding Me is a testament to the power of poetry to convey the complexities of the human heart. It is a collection that invites readers to reflect on their own experiences with love and to find solace, inspiration, and understanding in the transformative power of words. Whether you are a lover of poetry or simply a seeker of profound emotional connections, this book promises to transport you into a world of love, longing, and self-discovery.      **Poetry, Practical Theology and Reflective Practice** Mark Pryce, 2019-03-13  
This groundbreaking study offers an innovative critical analysis of poetry as a resource for reflective practice in the context of continuing professional development. In the contemporary drive in all professions for greater rigour in education, training, and development, little attention is paid to the inner shape of learning and meaning-making for individuals and groups, especially ways in which individuals are formed for the task of their work. Building on empirical research into the author's professional practice, the book takes the use of poetry in clergy continuing ministerial development as a case study to examine the value of poetry in professional learning. Setting

out the advantages and limitations of poetry as a stimulant for imaginative critical reflexivity and formation within professional reflective practice the study develops a practical model for group reflection around poetry distilling pedagogical approaches for working effectively with poetry in continuing professional development Drawing together a number of strands of thinking about poetry Practical Theology and reflective practice into a tightly argued study the book is an important methodological resource It makes available a range of primary and secondary sources offering researchers into professional practice a model of ethnographic research in Practical Theology which embraces innovative methods for reflexivity and theological reflection including the value of auto ethnographic poetry
