V. A. RISBY,2022 *Dark Whispers* Asterix Merino,2025-12-21 DARK WHISPERS explores the boundaries between our world and something older hungrier and infinitely patient Five tales of ordinary people confronting extraordinary horrors that refuse to be explained away dismissed or forgotten On a remote rock in the North Atlantic a lighthouse keeper discovers his light doesn t guide sailors home it calls to something in the depths that has been waiting for centuries A woman inherits a family house and learns that some legacies demand more than money They demand blood sacrifice and the continuation of a pact older than the forest itself In our connected world a data analyst finds patterns where patterns shouldn t exist signs that humanity s greatest creation might be preparing to become its successor Years after tragedy a family returns to a lakeside home seeking healing only to discover that some waters remember some hungers never sleep and some debts must be paid in more than tears An actress receives an invitation to audition for a theater that doesn t exist on any map where the price of admission is everything you are and the performance lasts forever These stories ask what happens when the whispers you hear in the dark turn out to be real When the thing you thought was a dream opens its eyes and looks back at you When the door you thought led outside only leads deeper in Sometimes the most terrifying thing isn t what goes bump in the night It s what happens when morning comes and you re still there And so is it *Dark Whispers* Diane Nielsen,2013-02-12 Once again the Immortal Guardian Saul is called upon to save two mortals he is assigned to watch over protecting them from the Dark Being Roman Saul s counterpart from the dark side as he tries to derail destinies written by the Fates and followed since birth Beautiful young model Abby Mathews moved to the small town of Winston Nebraska as her destiny ordered She flourished and she was accepted as one of the town s own
