,Bro.Ken-1,2024-12-17 The manuscript Hosea 2020 is the story about the life of an ordinary man being guided through his life for the purpose of his Creator The story is based in a different time a time that the Father of the universe walked through when preparing to create the universe He used his ability to see the beginning of a thing before the end to put the right people in place to save mankind from the curse of imperfection Hosea s life story takes place in an alternate time zone from the one we live in The Father being the author and finisher of his life put him to the test in many situations and directed him on how to overcome the mountains that he allowed his opposer to place before him To succeed in each test Hosea had to use only the teachings of his Creator The story Hosea 2020 starts in a dark time in mankind s history and intends to first draw a comparison between the way of darkness and the way of light The tale however is a deeply spiritual account of the Father s love for his creation man a love that is proven in all times that he created This hopefully is the manuscript that introduces the rest of the main characters to their own tales in the future This manuscript was written not only to entertain but also to open the door of the people s hearts to the truth of mankind s fall and the love their Father has for them The way that Hosea s Creator helped him through his trials is only a mirror image of how our God can help us in the life we must live In other
