Scripts of the Lost and Found Sydney Woods,2022-02-03 Have you ever felt invisible Made to feel unworthy Ashamed I m here to tell you You are not alone Hiding deep inside each and every one of us there is a terrified and trembling child who never had a voice Who was never really HEARD So many of us struggle with unresolved childhood traumas that remain repressed for years due to the stigma attached to mental health needs and diagnosis such as PTSD depression anxiety and addiction just to name a few At times we may feel weak isolated unloved and think that no one could possibly understand So we put on that fake happy facade with that fake happy smile and go about our fake happy day in perpetual AUTOPILOT But things aren t always as they seem This collection of thought provoking scripts contains the voice of the young child that sobs with sorrow and freezes in fear that hides deep inside our broken hearts and weary minds That meek child once masqueraded and muted is now all grown up Listen really listen to the words The DARKNESS is REAL Some succumb to its grip and lay LOST forever while others trudge through searching for the LIGHT and never abandoning hope With careful guidance from mental health professionals hand work and determination we can all be FOUND
